
Gabriel Richard High School in Riverview, Mich., was created in 1965 as a central Catholic high school for the Wyandotte, Mich., area. Sponsoring parishes were St. Elizabeth, St. Stanislaus, St. Helena, Sacred Heart, St. Patrick, St. Joseph and St. Cyprian.

The plan for the school was to add one grade each year. That first year, 137 students enrolled in ninth grade. Classes were broken into four groups, with two meeting in the morning and the other two in the afternoon in two rooms St. Patrick Parish donated. The convent housed sisters from different religious communities, including two IHM Sisters.

Groundbreaking for the Gabriel Richard building took place Oct. 17, 1965. “The pastors of all...participating parishes were present and took part in the ceremony,” the convent chronicler reports.

The building was ready for occupancy in September 1966. Four IHM Sisters, along with Sisters of St. Joseph, St. Francis and Dominican Sisters, taught the 288 ninth- and 10th-graders. It was a busy school year for all. The Home-School Council was organized; students made Christmas baskets for needy families within St. Patrick Parish; the Civics Club, Junior Classical League, Latin Club and boys’ sports provided extracurricular activities. “The chronicler notes that “Cafetorium lunch service started in February,” and that “the vending machines supplied hot foods, cold drinks and snacks.”

“Richard Week” began in 1967 – the year Gabriel Richard organized its National Honor Society. The following year, the first with all four high school grades, the school held its first homecoming; first College Night; first school play and first farewell dance for seniors. The first prom took place at Cobo Hall, and “Prom goers mat at Richard for punch and cookies before the big event.” The school also began such long-standing traditions as the Mardi Gras dance; an art festival, and an all-night party for the graduating seniors.

The Class of 1972, our Featured Class Year, chose Thomas Thompson as its president and Lorine Schmidt as vice president. The class colors were forest green and gold; class flower was the baby rose; and class song was “Bridge Over Troubled Waters,” by Simon and Garfunkle. That school year, sophomore Jim Danz set a new school record in cross country, running 2.5 miles in 12:48; “Richard Week” activities included crowing Nancy Livernois as homecoming queen; Dave Harmon ruled as
king during the Sadie Hawkins dance; and prom was truly an “Enchanted Evening” at the Roostertail.

Although the IHM Sisters took a less active role at Gabriel Richard as the 1970s gave way to the ’80s and ‘90s, they continued their ministry until 2002, when Sister Ann Marie (Naomi) L’Esperance, IHM, retired. The school continues to be a vital presence, with more than 400 students currently enrolled.
