

# Drug Addiction

*Substance Abuse Issues in Monroe County. (2014). Monroe County Health Department.*

# Educational Attainment (Age 25+)

*Monroe County Community Needs Assessment. (2012). Monroe County Opportunity Program.*

# Guatemala

1/2

More than 1/2 of Guatemala's people live below the national poverty line—15 % in extreme poverty—and the country ranks 13th in the world for its level of income inequality according to the GINI Index.

*World Bank, Guatemala Poverty Assessment*

# Appalachia

50%

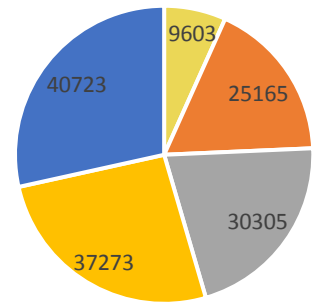

Appalachia has higher rates of cancer, heart disease, and diabetes than the nation, yet 50% of the counties in Central Appalachia have only one hospital and about 1 in 5 do not have a hospital at all.
