

May the light of Christ
glow bright in you,
the gifts of creation
stir awe in you,
the immensity of God's love
grow warm in you,
the mercy of God
run deep in you,
the promise of peace
take root in you,
the joy of this season
resound in you,
the blessing of God
shine forth from you!

May the blessings of Christmas
be with you throughout the New Year.
