## Webinar

---

**This Lenten retreat explores the Triduum**, not just as a liturgical way for us to go to meet the Lord – although that will certainly be one aspect of our time together – but rather, as a way to see that the time of Holy Thursday, Good Friday and Easter Sunday is about the Lord coming to meet us. We will also be spending some time with Pope Francis and his letter, *Gaudete et Exultate* – the universal call to holiness.

**Rev. Roger H. Keeler** is a presbyter of the Archdiocese of Edmonton, Alberta, Canada, ordained to the ministerial priesthood 36 years ago. He has served the Church as pastor, professor and canonist. Currently, Rev. Keeler teaches canon law and theological field education at the Oblate School of Theology in San Antonio. He has been preaching parish missions and retreats throughout his entire time as a pastoral minister.
