

In 2010, as part of their ministry, the Sisters, Servants of the Immaculate Heart of Mary (IHM) began welcoming lay women and men to recover from their post-hospital experience in the newly renovated Health Care Center within the IHM Motherhouse. It evolved into the **IHM Senior Living Community** and offers skilled nursing care and rehabilitation services. The 58-bed facility is licensed by Medicare and Medicaid.

For admission inquiries, call  
**734-240-9697.**

The journey continues here.

## IHM Senior Living Community Mission Statement

The Sisters, Servants of the Immaculate Heart of Mary embrace the redeeming and healing mission of Jesus through our continuing commitment to provide the highest quality of holistic, compassionate and professional care to those who are sick and infirm.

We commit ourselves to creating an atmosphere where residents and staff can live the highest quality of health and relationships.

## *What you can expect*

IHM Senior Living Community nurtures a sense of purpose and connection, with inspiration and support for a life well-lived. We encourage educational pursuits, with stimulating classes, computer access and a spacious library. Our community is lively and engaged, with a full calendar of enrichment activities, such as gardening, meditation, exercise and crafts. We offer frequent opportunities to interact with people of different generations, to volunteer in meaningful ways and to engage in social justice work. We offer interfaith pastoral care, plus opportunities to participate in Catholic Mass. Individuals blossom here, and so do friendships.
