## **ADULT VOLUNTEER APPLICATION INFORMATION**

We are very grateful that you are interested in sharing your unique abilities and precious time to enrich the lives of our residents by volunteering at the IHM Motherhouse. Volunteers provide a very important role within our community. You will get to know our wonderful home and meet many smiling faces that will let you know we care and appreciate your time.

Attached you will find a 3-page Volunteer Application and Background Check form. Please complete the entire application along with personal references and return them to me at the address below

Screening and placement include Application, References, Background Check, Interview, and Orientation. Placement is based on your skills, abilities, interest, schedule and the availability of a suitable placement.

Once we have your completed application form, we will call you to set up an appointment for an informal interview where we can discuss possible volunteer opportunities (see options on Application Form).

We thank you again for your interest in IHM and look forward to meeting you. If you have any questions about the enclosed material, please contact me at 734-240-8312.

God bless you.
