JUNIOR VOLUNTEER INFORMATION

We are grateful that you are interested in sharing your unique abilities and precious time to enrich the lives of our residents by volunteering at the IHM Motherhouse. Volunteering can be a rewarding experience for you and an opportunity to learn new skills that stay with you throughout your life.

All new volunteers are required to complete a volunteer application, a background check form and attend a volunteer orientation. The minimum age to volunteer is 13 years. Junior Volunteers aged 13 to 15 years are required to volunteer with either a parent or legal guardian (both adult and child would be required to complete the application paperwork and attend a volunteer orientation).

Before filling out the volunteer application, please discuss your current obligations at home and school with your parent or guardian. Residents and staff will be counting on you to be dependable and to bring your energy and enthusiasm. It is very important that you treat your service seriously and that you remain flexible and accept assignments according to the needs and requirements of our residents and staff.

We look forward to receiving your completed application at the address below. We will evaluate it and contact you as soon as possible:
