Dear friends of the congregation,

During the past year, there have been many examples of *inspirational giving*. Our sisters, associates and co-workers give in so many ways. Our various appeals keep you abreast of the numerous ways our sisters continue to serve. Our associates are wonderful examples of sharing in the liberating mission of Jesus through their lives and ministries. Our co-ministers, both those who work in congregational departments and who minister in the IHM Senior Living Community, are examples of selfless, dedicated service. All this is made possible by **your** *inspirational giving*.

This year I will complete my third year of serving in the presidency of the Leadership Conference of Women Religious. Although most of my term has been in a COVID world connecting through Zoom, I have found it to be an excellent opportunity to share the richness of the IHM heritage as well as to learn from congregations within our global community. If there is one theme that has been continuous throughout this past year, it would be collaboration. Facing all of us is the question of how religious congregations can share resources and shape the future of religious life.

The three IHM congregations and the Oblate Sisters of Providence, through our joint gathering in 2020, desire to find ways to embark on journeys that are not feasible for us to do alone. One such effort was establishing an inter-congregational house at the border in McAllen, Texas. Fueled by the passion of volunteers who joined together in the summer of 2021 to live together and serve our migrant brothers and sisters, we sought to come together and address a critical need. Our congregations jointly established a community with Mary Elaine Anderson, IHM, Carmen Armenta Lara, IHM, Rose Patrice Kuhn, IHM and Elvia Mata Ortega, IHM, making a three-year commitment to live in community and minister to the people in Juarez and McAllen.

This past year we welcomed Marilyn Meadows as Development director. She has served our Development office in several capacities. We look forward to Marilyn sharing her creative ideas as we enhance our development efforts. One of the initiatives that Marilyn initiated is a “Thank-a-thon.” Our sisters and associates joined whole-heartedly to call our donors. Many of our donors received a personal call to say thank you. Stay tuned – if you did not receive a call this year, we are working to get as many callers as possible in the future to reach you!

Through your *inspirational giving*, you have helped us provide quality care for our retired and infirmed sisters, created opportunities for sisters to advance their education, supported our ministries and helped provide ministry grants. In the theme of collaboration, through your giving, you have helped us advance the mission of the IHM congregation in so many ways.

Gratefully,

Mary Jane Herb, IHM
President

Ministering Without Borders

“We live a profound experience that allows us to stand in solidarity with migrants and live the experience of Joseph and Mary on their way to Bethlehem when they could not find a decent place to stay.”
– *Sister María Antonia Aranda Díaz*

Juarez, Mexico

Sisters Maureen Kelly, Maria Antonia Aranda Diaz and Carmen Armenta Lara have worked with migrants for several years with the *Sowing Today, Harvesting Tomorrow Association*. Stationed in Juarez, Mexico, they minister to those arriving daily from Latin American countries by providing comprehensive support that allows them to familiarize themselves with Juarez while they pursue asylum or other options.

Many migrants arrive with physiological, sociological, psychological and legal needs that have exceeded the capacity of the local civil institutions and organizations. The Sisters are tasked with attending to their basic needs, whether to guide them in making good decisions regarding achieving the “American dream” or considering other options. For many, asylum in the U.S. is not possible. The sisters encourage them

Children at Casa de Migrante

to consider other options, which may give them more hope for a dignified life.

Our sisters support migrants by guiding them through bureaucracy to remain in Mexico. They provide transportation to medical appointments, give guidance on obtaining a job and refer them to legal organizations to receive help with entering the U.S. Their team supports the soup kitchen in a hall of the city’s Cathedral, where about 600 people are cared for and fed weekly. Sisters Maureen, Maria Antonia and Carmen have accompanied countless people across the border, many under Title 42. They also provide spiritual accompaniment, which has allowed the migrating people to continue living their faith during their journey.

Migrants waiting to cross the border

Sisters Mary Elaine Anderson (Scranton), Carmen Armenta Lara (Monroe), Elvia Mata Ortega (Scranton), Rose Patrice Kuhn (Immaculata)

McAllen, Texas

The OSP-IHM congregations have established a community in McAllen, Texas, about 20 minutes from the U.S. and Mexico border. Sisters Mary Elaine Anderson (Scranton), Elvia Mata Ortega (Scranton) and Rose Patrice Kuhn (Immaculata) gradually settled into their new home in the summer of 2022. They immediately began to minister at the Humanitarian Respite Center, welcoming asylum seekers fleeing the violence and poverty of their country.

The fourth member, our own Sister Carmen Armenta Lara, continued her ministry in Juarez as she waited patiently to obtain her R-1 Visa. After many months, the Visa was secured and she was able to join the others in McAllen. Sisters Maureen Kelly and Maria Antonia Aranda Diaz accompanied Carmen on the 11-hour trip across Texas. Sisters Rose, Elvia and Mary Elaine welcomed Carmen and her companions with open arms.

With this creation of an inter-congregational ministry, our sisters directly serve asylum seekers who need temporary respite and help contacting their sponsors in the U.S. The collaborative efforts of OSP-IHM Sisters, associates and friends have made establishing a presence on the border a reality.

The Monroe IHM community shares a common origin with three other religious communities: the Pennsylvania-based Sisters, Servants of the Immaculate Heart of Mary in Scranton and Immaculata and the Oblate Sisters of Providence, Baltimore. For the past several years, these four communities (OSP-IHM) have committed to reconnecting and collaborating on various initiatives.

These efforts are testimony to the importance of encountering the migrant wherever they may be—on the border, in the classroom, churches and neighborhoods. It seems fitting and even providential, in following Theresa Maxis' urging to "go where the need is."

"Welcoming and accompanying migrants who are fleeing violence and searching for a more humane way of life is the loving work of all God's people, not just those living along the southern border."

— Sister Mary Elaine Anderson

Ministry Grants

IHMs minister in 13 states, Puerto Rico, Mexico and South Africa. To extend our reach, we partner with other organizations and religious orders to further enrich the lives of those most in need and positively impact our world.

Through yearly grant opportunities, sisters and associates aid ministries in which they are personally involved. In April 2022, grant funding totaled \$50,000. The ministries awarded funding were:

Detroit Catholic Pastoral Alliance for *Friends of Returning Citizens* submitted by **Sister Alice Baker**. *Friends of Returning Citizens* advocates for criminal justice reform and helps returning citizens reenter communities.

Institute of Geography for Peace for *Accompaniment of Persons in Mobilities/ Hospitality Areas in Shelters and Homes* submitted by **Sisters Maureen Kelly and Maria Antonia Aranda Diaz**. This program will help the IHM Sisters continue to offer accompaniment and legal guidance to migrants. It will also promote community among migrants in Mexico, volunteers, parishes and the city.

Epiphany Education Center for *Intensive Literacy Intervention* submitted by **Sister Marie Cyril Delisi**. This program aims to increase elementary and middle school students' academic proficiency in math and reading, promote self-confidence, encourage community activism and develop 21st century competencies.

Institute of Geography for Peace for *Investigation for the Social Incidence, Communication and Formation of Human Rights of Migrants* submitted by **Sisters Maureen Kelly and Maria Antonia Aranda Diaz**. This program will help create a website, awareness campaign, semiannual publication and educational programming to support migrants, refugees and internally displaced Mexicans while building a culture of respect for human rights.

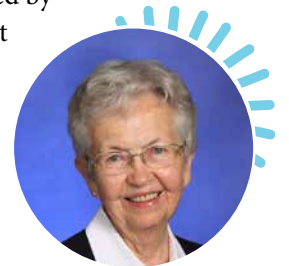

Friends in Solidarity for *Catholic Health Training Institute/Women's Education* submitted by **Sister Joan Mumaw**. This project is designed to build the capacity of South Sudanese women as registered nurses and registered midwives, a three-year program for each discipline.

IHM Community for *Empowerment Through Crowdfunding* submitted by **Sister Julie Vieira**. This innovative project will use collaborative online platforms of crowdfunding to identify and assist people who are poor and marginalized, especially women.

Paula's House for *Recovery and Retreat* submitted by **Sister Candyce Rekart**. Paula's House is a long-term transition home for women recovering from substance use disorder, providing structure and a safe place to focus on recovery while rebuilding their lives. The program will increase self-awareness and self-esteem while educating on how to maintain sobriety.

Save Our Adolescents from Prostitution (S.O.A.P.) Project for *Second Wind Trafficking Survivor Support Group* submitted by **Sister Kate O'Brien**. This project is an exclusive, closed group that provides trusting care while promoting safe, confidential, restorative opportunities for survivors to relate and lean on one another through healthy healing. This will consist of in-person and virtual activities led by a licensed therapist specializing in trauma. The project's goal is to help survivors heal from the trauma of being sold and rebuild their broken souls.

Selah's Center of Hope for *Maternity Home Education Program* submitted by **Sister Judith Bonini**. This residential program is for unwed pregnant mothers who are choosing life for their child but need a housing program to assist with their unique needs.

Spirit Mountain Retreat for *Return to Yourself: A Resiliency and Healing Retreat Series for Women Veterans with PTSD* submitted by **Margaret Mary Leusch, IHM Associate**. This project is an opportunity for respite, retreat, rejuvenation and "return to self" for women who have PTSD resulting from their involvement in the armed services. The program is tailored to serve women veterans regardless of the origin of their trauma.

Siena Heights University (SHU) for *Teaching and Learning Collective* submitted by **Sister Diane Brown**. This project will provide a centralized location for resources that support professional development of online and on-ground instructors at SHU. It offers the SHU community an opportunity to contribute to the scholarship of teaching and learning by creating workshops, webinars, articles and other resources.

Siena Literacy Center for *Human Stories: An Incentive Mode* submitted by **Sister Mary Anna Riley**. This project will produce a small booklet of stories about persons, their struggles and successes, motivation and perseverance to promote further learning and interest potential tutors. The booklets will include pictures of learners and their personal success stories written in simple language.

Strangers No Longer for *Downriver Engagement of Immigrant Women and Parishes* submitted by **Sister Rebecca Vonderhaar**. Strangers No Longer built Circles of Support for immigrant women who share stories from their personal lives about their region, their family life and reasons for migrating. With relationships as key to social change, this project is developed to engage more women in immigrant women circles.

Happy 100th Birthday Sister Eileen Houlihan

This fall, Sister Eileen Houlihan celebrated her 100th birthday. Sisters, associates, friends, family and staff enjoyed a Liturgy Mass with a party following. Among the many greeting cards and gifts, Sister Eileen received an Apostolic Blessing from Pope Francis and birthday greetings from President Joe Biden, Michigan Governor Gretchen Whitmer, and former president and first lady Jimmy and Rosalynn Carter. Robert Clark, Mayor of the City of Monroe, attended Mass and presented her with a special birthday greeting.

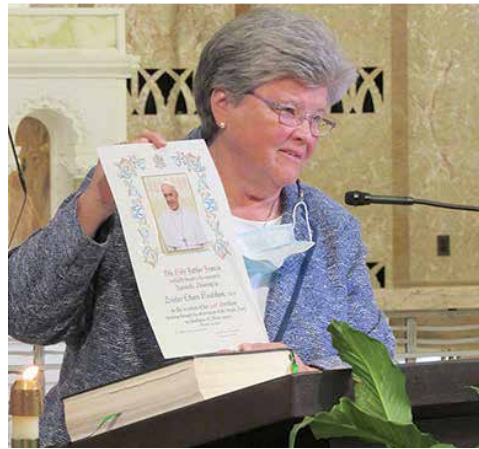

Sister Eileen, one of eight children, was born at home in Detroit on Oct. 26, 1922. Her father came to the United States from County Clare, Ireland. Sister Eileen's parents met at the Gaelic League, which was surprising because her mother was German! Her father fought in WWI and upon his return, her parents married.

Growing up in a faith-filled family during the Depression gave Sister Eileen a deep sense of devotion. Her sister Kathleen joined the IHM congregation after high school graduation. Eileen followed two years later, two weeks after her 1940 graduation from St. Mary's of Redford in Detroit.

Following her first profession in 1943, Sister Eileen attended Marygrove College, earning a bachelor's degree in music. After graduation in 1945, her first ministry found her at St. Matthew Elementary School on Detroit's east side. She taught full-time during the year and spent summers continuing her education at the University of Notre Dame. In 1954, she received her master's in liturgy with a cognate in liturgical music. In her first year, she worked with 76 women as the associate mistress, teaching Liturgy and Scripture and guiding them in prayer.

Sister Eileen enjoyed a long career with many ministries. She taught at St. Mary Academy, Monroe, Michigan, Immaculata High School, Detroit and Marian High School, Bloomfield Hills, Michigan. She has fond memories of her eight years teaching at her former high school, St. Mary of Redford, at the same time her mother worked there. According to Sister Eileen, teaching every student in her music classes meant learning to play all the instruments herself. Sister Eileen's first instrument was the piano and she moved on to the woodwind, brass

and stringed instruments. She says the trumpet gave her the most trouble as she did not have the chops. She also taught chorus in the schools to which she was assigned.

Her ministry at Our Lady of Lake Huron Parish in Harbor Beach, Michigan, brought her 15 years of contentment.

That opportunity came about when she called Father Tom McNamara, whom she knew from her assignment in Saginaw. Father Tom was now ministering there. He was delighted to receive her call and welcomed her. She loved being close to beautiful Lake Huron and found joy in her teaching and ministry. In her final three years there she was responsible for the entire parish, stepping in for a critically ill priest.

In January 2004, Sister Eileen retired and returned to the Motherhouse. She keeps in close contact with her youngest sister, a youthful 89 years, and they talk on the phone a couple of times a week.

When asked her thoughts about turning 100, she said, "I never thought I'd live this long." Sister Eileen feels genuinely blessed and content, grateful for her vocation and life as an IHM. Her greatest joy comes from, "really belonging to a community of people who care, and that sense of security that you can always count on them."

A New Generation

Class Project Becomes a Generous Gift

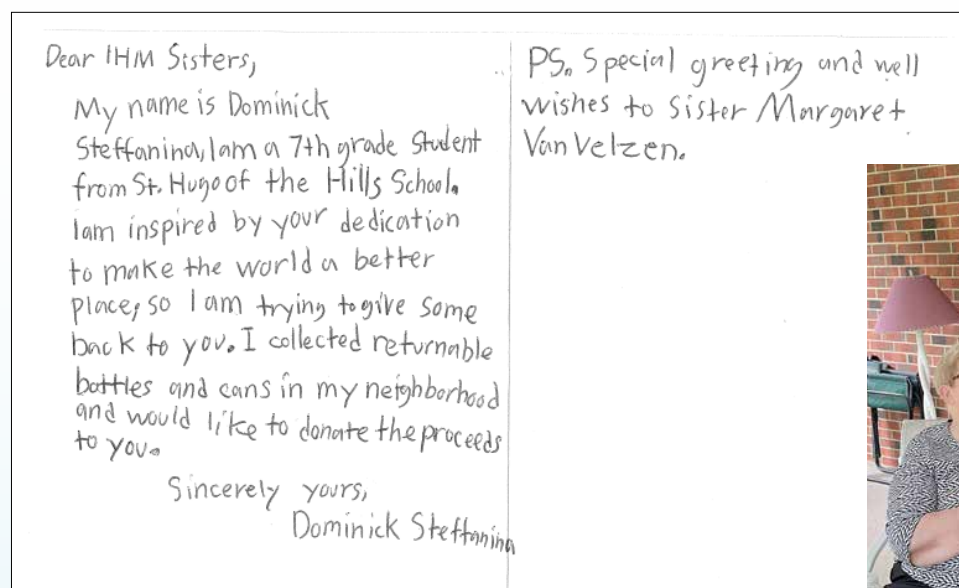

“Every quarter, seventh- and eighth-grade students at St. Hugo of the Hills School are required to serve others. Religion class for me and my classmates requires volunteer service to family, parish or community. I had known Sister Margaret VanVelzen and Sister Mary Ellen Keyes for some time. Sister Margaret was school principal when I first began attending St. Hugo of the Hills. More than that, she and Sister Mary Ellen have been family friends, knowing my grandparents, aunt, uncle and cousins well. When the time came for me to find a way to serve as part of my class project, I remembered IHM Sisters dedicate their lives to serving others and wanted to give back to them. My parents had several bottles to be returned. The idea of collecting bottles and cans around my neighborhood and donating that money to the sisters came to me. I am hoping to help the IHM Sisters by collecting more bottles and cans.

I am in my last year at St. Hugo School, and I will be attending Orchard Lake St. Mary’s High School in the fall. I hope one day to work for a law enforcement agency.”

Dear friends and benefactors,

During this season of renewal, I admire the spring flowers as if God has decorated the Earth for a big celebration, Easter. As I watch buds grow into beautiful blooms, I am reminded of you, friends of the IHM Sisters, and how your acts of generosity grow into something far beyond what we could ever ask for or imagine. You help us care for our retired sisters, support those in ministry and provide funding for areas of greatest need. You have blessed the IHM congregation immensely.

I celebrated my 20th anniversary of working with the sisters this past February. During those years of service, I spent 15 years in the Development office. In April 2022, I gratefully accepted the position of director of Development. Sisters often thank me for the work I do on their behalf. When I witness the impact of the financial support you bestow on the congregation, it is I who am grateful. I feel a kinship with you all because each and every one of our lives have been changed in some way by the gifts the IHMs have given us. After all these years, I am still astonished by your kindness and generosity.

Inside this year's issue of *Inspirational Giving*, you will read about sisters ministering at the U.S. and Mexico border and ministry grants awarded to sisters and associates through our yearly grant process. I hope you enjoy reading about Sister Eileen Houlihan's 100th birthday, donor spotlight, 2022 jubilarians, special events and the Thank-a-thon. You will be inspired by St. Hugo of the Hills student, Dominick Steffanina, and his gift to the IHM congregation. Along with the listing of generous benefactors, we have included the names of loved ones that have been shared with tribute giving. Additionally, we acknowledge those benefactors who have included the IHM Sisters in their estate plans and are members of the Future of Hope Legacy Society.

Thank you for your friendship and generous support of the IHM community. During Sunday liturgies in the Motherhouse Chapel and in the sisters' daily prayers, you are remembered.

Gratefully,

Marilyn S. Meadows
Director of Development

A Light That Dances – by Michael Kruzich

“... they, have a light that dances in front of them. That is what makes them the most interesting people in the world – they face the future, not the past.”
– Virginia Woolf

While Woolf may not have known it when she wrote this, her words capture well the Christian life. Jesus is the Light that dances before us and we follow in faith. It is this future-facing charisma of the IHMs that is both challenge and gift to me. I have known many IHM Sisters as teachers, friends, mentors and colleagues in ministry.

My IHM ties reach back to the 1940s when my mother attended St. Mary Academy for a short time. I was baptized at St. Cecilia's in Detroit, so the IHMs have been part of my life from the start, continuing with after-school catechism at St. Mary, Wayne, Michigan. I remember Sister Kathleen DeSmedt (Joseph Rita) and Sister Dorothy Griffing (Marie Justine).

IHM Sisters taught me in elementary and high school at St. Thomas, Ann Arbor, Michigan. Sister Patricia Hogan (Rose Irene) in grade school and Sister Patricia O'Toole (Augustine) in high school were favorites. Fond memories also

include Sisters Mary McNerny (Florentia), Barbara Berg (Ann Paul), Marion Haas (Mary Sebastian), Geraldine Cuddihy (Marie Dennis) and Joanne Blundo (Rose Elizabeth), who later left the community.

I worked with Sister Ruth McDonell (Marie Elise) in parish ministry and with Sister Joyce Campbell and other IHMs in campus ministry. I recall with fondness Sister Mary Ann Flanagan (Marie Anne) and the gentle poet, Sister Eleanor Fitzgibbons (Simplicia) as well as Sister Anna Mary Waickman (Alphonsus Liguori) from Marygrove College.

I have great affection for this beloved community and its witness of joyfully living and sharing the Gospel. The IHM teaching charisma, responding to the needs of the time, embraces non-violence, healing racism and advocacy for the Earth. My IHM education did not end with high school graduation or even a degree in Pastoral Ministry from Marygrove College.

In recent years, I have not had much contact with IHMs. For 20 years, I had the great pleasure of worshiping with the Grand Rapids Dominicans as a member of the Assembly and choir at Marywood. I am now back living in Ann Arbor and glad to be home. Last summer I attended the 50th reunion of the St. Thomas class of 1972 and was reminded of how much the IHMs are still present in my life, and I am ever so grateful!

We'd love to hear from you!

We did it!

The 2021-2022 raffle goal was \$218,000. Your generous support helped us raise \$252,031.

Thank You!

Theresa Maxis Award

On Oct. 14, 2021, friends gathered at the historic Detroit Athletic Club for the Theresa Maxis Award to honor and celebrate Elizabeth A. Burns, MD, MA. Together we raised \$77,525 to benefit IHM ministries and the retirement needs of the congregation.

Elizabeth A. Burns, MD, MA

Dr. Burns currently serves as the President of Marygrove College, located in Detroit, Michigan. Although the College is no longer in operation, the final closure of the College will occur in 2023. Prior to her appointment as President, she served as Interim Provost at Marygrove. She retired in July 2015

as the Founding Associate Dean for Faculty and Clinical Affairs and Assistant Dean for Graduate Medical Education/DIO at Western Michigan University Homer Stryker M.D. School of Medicine in Kalamazoo, Michigan. From 2008 to 2012, she served as President and CEO of the

Michigan State University Kalamazoo Center for Medical Studies, which merged into the WMU Stryker School of Medicine in 2012.

Dr. Burns is a magna cum laude graduate of Marygrove College. She earned a medical degree

from the University of Michigan Medical School, Ann Arbor, interned at Henry Ford Hospital in Detroit, and completed a family practice residency at Harrisburg Hospital, Harrisburg, Pennsylvania. Her MA is in Health Professions Education from the University of Iowa. She held leadership positions in three family medicine departments at the Universities of Iowa, Illinois at Chicago, and North Dakota before moving back to Michigan in 2012.

Dr. Burns has served on numerous national and community boards. She was on the Marygrove College Board of Trustees from 2005 to 2015. She is a Trustee Emerita of the Gilmore International Keyboard Festival Board and now serves on the Board of the Kalamazoo Symphony Orchestra. She also serves on the Marygrove Conservancy Board and the Marygrove Nonprofit Housing Corporations Board.

In 1845, Sister Theresa Maxis agreed to help Rev. Louis Gillet found a new congregation of educators in Monroe: the Sisters, Servants of the Immaculate Heart of Mary. Her deep faith, courageous spirit and action for justice are reflected in those selected for the award that bears her name. The Theresa Maxis Award recognizes community leaders who embody the values and vision of the IHM community: deep faith, pioneering spirit, service to the poor, commitment to justice.

IHM SISTERS' Thank-a-thon

The Development team was excited to announce the first IHM Sisters' Thank-a-thon! During this monthlong event, sisters and associates called or sent cards to randomly selected benefactors, thanking them for sharing in our mission and generously supporting the congregation. More than 650 calls were made and 160 thank-you cards sent.

On Dec. 20, 2021, sisters and staff gathered in the foyer of the Motherhouse for the blessing and lighting of the Christmas Tribute Tree. It was a celebration and prayerful remembrance of the many tributes that were sent in from our friends and benefactors.

Your generous support helped us raise \$34,096 to replace broken appliances such as washers, dryers, refrigerators, dishwashers and microwaves. Your support also helped to purchase replacement TVs with wireless headsets for those experiencing hearing loss. Each item has improved the quality of life for sisters living within IHM Senior Living Community.

"I received a new TV with wireless headset. I love it! It's fantastic and very helpful when I watch the news."
- Sister Hilda Skelley

"We are so grateful for our benefactors. The new dishwasher is very helpful and does a great job!"
- Sister Jean Booms

"Thanks to our generous benefactors, our floor's broken washing machine has been replaced. What a blessing!"
- Sister Alys Currier

Prayer for the blessing and lighting of the tree

O God, we praise You for the light of creation: the sun of the day and the stars of the night. We praise You for Jesus Christ, Emmanuel, who is the light of the World.

Let your blessings come upon us as we light the Christmas Tribute Tree. May the light and cheer it gives be a sign of the joy that fills our hearts.

As these lights, poinsettias and angels give beauty to our Motherhouse foyer, may we shine brightly as we prepare to welcome the Light of the World, into our hearts.

Bless our families, friends and co-workers as we celebrate this joyous season and may our Christmas celebration be a time of peace, joy and love.

Keep us safe in our travels; kind in our conversations; and gracious in our giving and receiving.

We ask this in Your name. Amen

The Future of Hope Legacy Society was established to accomplish a twofold purpose:

- To thank and recognize benefactors who have made legacy gifts to the congregation;

By including a bequest provision in your will, you can continue to support the sisters well into the future.

If you have already planned a gift to the Sisters, Servants of the Immaculate Heart of Mary or are considering doing so, please let us know.
