Dear friends of the congregation,

There is a time for everything, and a season for every activity under the heavens.
- Ecclesiastes 3:1

There is a time ... to present the IHM Annual Report. With this report, we celebrate your inspirational giving. We not only report on the wonderful contributions of our donors but we also celebrate the myriad ways the sisters and associates continue to live the IHM mission. As a result of your support, we can care for our retired and infirm sisters who have given decades of their lives to ministries in various settings.

There is a time ... to highlight our ministries as well as share with you the recipients of our ministry grants. Faithfully reaching out to the poor and abandoned, Sister Anne Wisda's new ministry is a concrete way to respond to the needs of these times. The IHM mission continues through the sisters' ministries in education, spirituality and service for those

in need. We are pleased to share the efforts of our Justice, Peace and Sustainability office as we continue to live the Gospel message in these challenging times. Celebrating the lives of our Jubilarians acknowledges our rich history of the dedicated service of our sisters. Each of these individuals share inspirational giving from their lives.

There is a time ... to celebrate our Development office's efforts and share your response. Whether you bought a raffle ticket or shared a planned gift with us, your inspirational giving assists us in not only reaching our goal but also enables us to continue our efforts to care for our sisters and reach out to the People of God in various ways.

There is a time ... for the IHM Congregation to enter Chapter. This is an essential part of the governance of our congregation. Every six years, we gather for the Chapter of Affairs, in which we set the direction of the congregation for the next six years. This is followed by the Chapter of Elections, in which the next Leadership Council is elected. This is a sacred time for us. We ask for your special prayers as we gather.

There is a time ... for those of us called to leadership in 2018 to let go and invite others to this sacred calling. Margaret Chapman, IHM, Marianne Gaynor, IHM, Pat McCluskey, IHM, Ellen Rinke, IHM and I have been honored to serve in leadership of the congregation. So many events have occurred during our six years of service – from dealing with the global pandemic to transferring ownership of our buildings and grounds to Saint Therese. Each of these six years has been a blessing and our hearts are filled with gratitude for the call to service. As we transition out of leadership, we offer prayers of *gratitude* for the multiple ways of *inspirational giving*.

“There is a time to scatter stones and a time to gather them.” (*Ecclesiastes 3:5*) In this Annual Report, we gather the “stones” of our giving with prayers of appreciation for the myriad ways so many offer their time, talent and treasure.

Gratefully,

Justice, Peace and Sustainability

Rooted in faith and guided by compassion, we strive for a more just and equitable world. Our commitment to justice, peace, and sustainability drives our mission. We value every person's worth, regardless of background. Through advocacy, education and action, we tackle systemic injustice like poverty and discrimination. We also recognize the urgent need to protect our planet and ensure its sustainability for future generations.

HAITI

Amidst the ongoing crisis in Haiti, we extend a helping hand to a nation in dire need. Through partnerships with local organizations and international relief efforts, we help provide crucial aid such as food, medical supplies and shelter to those affected by the crisis. Beyond immediate relief, we work to address the root causes of Haiti's challenges, amplify the voices of marginalized communities and call for sustainable solutions that promote dignity and resilience.

Sister Judith Bonini speaks at a Haiti awareness event.

HEALING RACISM

Through education, advocacy and community engagement, we challenge the structures of oppression that perpetuate racial inequality. We actively listen to those affected by racism and advocate for meaningful change. We work to dismantle the barriers that divide us, fostering a world where all are recognized and celebrated for our inherent worth and unique contributions. In pursuit of racial justice, we hope to inspire others to join us in the journey toward a more inclusive and equitable society.

Sisters, associates, staff and friends gather to raise gun violence awareness.

GUN VIOLENCE

We engage in activism to combat the epidemic of gun violence gripping communities across the nation. With fervent dedication to social justice and a deep-rooted belief in the sanctity of all human life, we mobilize resources and rally support to demand meaningful legislative change. Through grassroots organizing, lobbying efforts and public demonstrations, we support those impacted by gun violence by advocating for comprehensive gun reform measures and promoting nonviolent conflict resolution strategies.

HIV/AIDS

With our deep-rooted commitment to social justice and healing, we work to break down stigma, provide education and offer compassion to individuals living with HIV/AIDS. We continue to help shape public perception and policies and globally advocate in the ongoing fight against this devastating disease.

IHM PEACEMAKERS

TOP ROW: Sisters Joan Kusak, Peg O'Shea, Elizabeth Walters and Jennifer Shankie, Justice, Peace and Sustainability Coordinator; FRONT ROW: Sisters Judith Bonini, Amata Miller, Ann Nett and Pat Rourke

We devote ourselves to fostering peace through compassionate action and advocacy. With a deep commitment to nonviolence and solidarity, the IHM Peacemakers Team works to address the root causes of injustice, whether in our local communities or on a global scale. We confront systemic oppression, promote dialogue and create pathways for meaningful change, demonstrating the transformative power of love, compassion and solidarity.

IMMIGRATION

In the face of complex immigration challenges, we extend our hands in welcoming immigrants, refugees and asylum seekers, recognizing the inherent dignity and worth of every individual. We partner with organizations that offer practical support, including shelter, legal assistance and language services to those navigating the daunting journey of migration. We also advocate for policies that uphold human rights and dignity, challenge unjust systems and work to create a pathway to citizenship and belonging.

Sister Maria Antonia Aranda Diaz assists a young family at the border.

RESPONSIBLE INVESTMENT COMMITTEE

Our Responsible Investment Committee upholds social justice, environmental sustainability and human dignity. Guided by Catholic social teaching and our mission for the common good, we evaluate investments through a lens of ethical and moral integrity. We align investments with our beliefs, supporting fair labor, sustainability and community development.

HUMAN TRAFFICKING

We recognize human trafficking as a grave violation of human rights and dignity. Through education, outreach and collaboration with law enforcement and community organizations, we strive to shine a light on the dark reality of human trafficking and its devastating impact on individuals and communities worldwide. We partner with other organizations providing shelter, counseling and resources to help victims rebuild their lives with dignity and strength.

Sisters, staff and residents gather on #WearBlueDay in support of the national campaign to raise awareness of human trafficking.

Ministry Grants

To extend our reach, we partner with other organizations and religious orders to enrich lives. Through yearly grant opportunities, sisters and associates aid ministries in which they are personally involved. In April 2023, grant funding totaled \$50,000. The ministries awarded funding were:

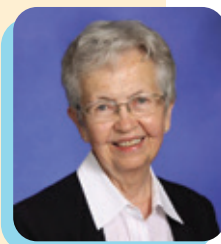

Paula's House for *Recovery, Wellness and Retreat* submitted by **Sister Candyce Rekart**. Paula's House is a long-term transition home for women recovering from substance use disorders. It provides structure and a safe place for women to focus on their recovery while rebuilding their lives. The program increases self-awareness and self-esteem while educating participants on how to maintain sobriety.

Spirit Mountain Retreat for *Return to Yourself: A Resiliency and Healing Retreat Series for Women Veterans with Post-Traumatic Stress Disorder (PTSD)* submitted by **Margaret Mary Leusch, IHM Associate**. This project is an opportunity for respite, retreat, rejuvenation and "return to self" for women who have or will have a PTSD diagnosis. The program is tailored to serve women veterans with PTSD regardless of the origin of that trauma.

Save Our Adolescents from Prostitution Project (SOAP) for *Second Wind Trafficking Survivor Support Group* submitted by **Sister Kate O'Brien**. SOAP is a nonprofit organization providing in-depth case management and support services to female survivors of human trafficking. The support group is an exclusive, closed group that provides trusting care while promoting safe, confidential, restorative opportunities for survivors to relate and lean on one another through healthy healing. Through monthly activities led by a licensed therapist whose expertise is in trauma, the project's goal is to help survivors heal from their trauma and rebuild their broken souls.

Strangers No Longer for *Downriver Engagement of Immigrant Women and Parishes* submitted by **Sister Rebecca Vonderhaar**. Strangers No Longer built Circles of Support for immigrant women who share stories from their personal lives about their region, their family life and reasons for migrating. While watching the groups converse, it was discovered that the social aspect of these conversations needed to become much broader, including psychological health activities with pro bono Spanish-speaking counselors. This project will help engage more women in Immigrant Women Circles, particularly in Downriver.

Siena Heights University (SHU) for *Teaching and Learning Collective* submitted by **Sister Diane Brown**. Over the last few years, the pandemic has underscored the need for instructors to discover additional resources to better meet students' needs. This project will provide a centralized location for resources that support the professional development of online and in person instructors at SHU.

US Catholic Sisters Against Human Trafficking for *Creating Awareness in the Fight to End Human Trafficking* submitted by **Sister Ann Oestreich**. This award will provide scholarships for members to participate in annual member conferences and produce a new video that will aid in preventing human trafficking. Through these two goals, we expect to create a more diverse network of professionals from different areas of expertise and increase awareness.

Crossroads of Michigan for the *Child Opportunity Program* submitted by **Sister Elizabeth Walters**. This program's goals are to expand Crossroads' parental impact beyond physical resources to include life tools and mentorships that can result in parent-preferred outcomes for their children's lives. Another goal is to help end the cycle of generational poverty in families who come to Crossroads to participate in the Children Opportunity Program.

CWO Farms for *For the Sake of the Children of All Species* submitted by **Sister Gloria Rivera**. Sister Gloria has been volunteering on the campus of Marygrove Conservancy, attending to ecological systems for several years. Combining forces with other staff, the overall goal is to preserve and enhance these systems so all who work, study and

live on campus can benefit. Collaboration with personnel and other Detroit organizations provides education opportunities for youth on campus to learn how food grows and how to take care of plants and nature, thus providing them life-long skills.

Elm House/Home, Inc., a licensed adult foster care group home, for *Door Replacement* submitted by **Sister Loretta Schroeder**. This award will allow Elm House to replace the original two main entryway doors, which will make the house more secure, save energy, help residents enter and exit with ease and improve the home's aesthetics.

Friends in Solidarity for *Helping Hands Initiative* submitted by **Sister Joan Mumaw**. Our center is in an area inhabited by many poor people, widows, orphans and those with disabilities, all of whom require humanitarian assistance on a regular basis. Rather than have people beg on the streets or knock on doors, Solidarity staff organized

and trained women in the local community to visit those who need assistance, procuring food and delivering packages. The women, themselves, are poor and in return for this service, they receive a small stipend. This award will be the primary support of this program.

IHM Community for *A Bridge to English for Migrants* submitted by **Sisters Mary Ann Penner, Maureen Kelly and Maria Antonia Aranda Diaz**. This program will connect our sisters and associates with migrants at the Mexico border by teaching English as a second language over the Internet. These migrants are willing adults with a desire to learn English. This will aid their integration into life in the United States in many ways, such as work, church, shopping, making appointments and interacting with teachers at their children's schools.

IHM community for *Spiritual Retreats Ending Homelessness* submitted by **Sister Betty Leon**. This project will help support the Detroit chapter of the Ignatian Spirituality Project (ISP). The project began in 1998, making spiritual exercises available to the poor. In 2013, Detroit joined the ISP Network, active in the US and Canada. They focus on people who have experienced homelessness and are recovering from addiction.

Our Lady of Fatima Parish for *Empowering the Laity* submitted by **Sister Barbara O'Neill**. Over the past 20 years, the parish has suffered spiritual poverty due to a lack of leadership and neglect. The award for this program will provide materials and resources for those in ministry and will hire presenters and clinicians for hands-on training.

Ministries and more ...

IHM's have historically chosen ministries in education, communicating values and imparting knowledge to children and adults of all backgrounds. Our ministries evolve and our work continues to be guided by the Gospel message. We continue our commitment to educate, serve people and minister to reduce suffering and injustice, standing in solidarity with the most vulnerable members of society.

SISTER PAULA COONEY – Commissary, Servants of Jesus

A Commissary is a person appointed to act as the canonical superior of another religious institute. One is appointed when a community who desires to continue living according to its own history, identity and legacy is no longer able to elect leadership from among themselves. The Servants of Jesus, a religious community of the Archdiocese of Detroit, who have served in various ministries throughout Michigan, were faced with that reality in 2012 when they numbered 16 members. They reached out to the National Religious Retirement Office (NRRO) for a consultant to aid them in discerning the best path to take. Sister Paula Cooney accepted that role and since 2018 continues to work as their Commissary. **“These years of supporting the sisters as they live their lives as Servants of Jesus have been some of the most rewarding of my years of ministry. They continue to bear witness to what it means to live their call as women religious into their elder years.”**

Sister Corinne Weiss, SJ, the former president, and Sister Rose Marie Kujawa, CSSF, representing the Archbishop of Detroit, appoint Sister Paula as Commissary of the Servants of Jesus.

SISTER VALERIE KNOCHE – North Macomb Vicariate – Hispanic minister

As Hispanic minister for the North Macomb Vicariate of the Archdiocese of Detroit, Sister Val Knoche cares for the spiritual and material needs of Latino families, organizing Spanish language liturgies and preparing children for Baptism, Communion and Confirmation. She works with parish leaders organizing a regular grocery distribution at St. Clement Parish, Romeo, Mich. They reach out to the neediest of the parish and respond to families desperate to pay rent, buy food and medicine and cover other emergency costs. Additionally, Sister Val helps by writing letters of support, translating documents and accompanying people to court for hearings on deportation or asylum.

“Ámense los unos a los otros – love one another.”

SISTER MARIE CYRIL DELISI – Tutor, Epiphany Education Center

Founded in April 2005, Epiphany Education Center is an intercommunity literacy project, developed to support struggling elementary and middle school students in the city of Detroit. The center was established by IHM Sisters who understood the call to serve our most valuable resource, our children. Sister Marie Cyril served as director for 10 years and serves as a tutor where she provides free supplemental learning services which complement the school day. Dedicated to closing the literacy gap in Metro Detroit, Epiphany has serviced hundreds of children. The program strives to increase elementary and middle school students' academic achievement in math and reading, promote self-confidence, encourage community activism and develop 21st century competencies. **“My ministry brings me immense joy and fulfillment as I watch students mature, gain worth and realize that anything in life is possible.”**

SISTER BETTY LEON – Retreat facilitator, Ignatian Spirituality Project

The Ignatian Spirituality Project (ISP) invites people in recovery from homelessness and addiction to “come home” to themselves by deepening their relationship with God. They partner with parishes and agencies all around the country. Sister Betty Leon serves as a member of the Detroit ISP Team, facilitating women’s retreats and reflections at Paula’s House, a long-term transition home for women in recovery in Monroe, Mich. She believes spirituality plays a vital role in breaking the cycle of substance abuse and homelessness. **“These women inspire me. After all they have gone through, they choose to work hard day by day to turn toward healthy, useful and fruitful lives for themselves and for their children. They listen with openness, share deeply and support one another as women with a future.”**

SISTER THERESA FIX – Co-founder, Facts4Me.com

Facts4Me is a Social Studies and Science website designed by Sister Theresa Fix and her business partner, Sandra K. Morgan. The site serves as a mini-encyclopedia that is child-friendly and child-safe with accurate and interesting information that spurs students’ interests. It appeals to primary and intermediate students. Additionally, www.facts4me.com is used as a valuable tool for helping at-risk readers of all levels and for teaching English as a second language. The content is written by teachers and offers high-quality, educationally sound information in an ad-free environment. **“Sandy and I are grateful to our amazingly willing and capable writers. Without them and their detailed research and writing genius, Facts4Me would not be the wonderful education offering it is.”**

SISTER ALICE BAKER – Board chair, Friends of Returning Citizens

Friends of Returning Citizens (FORC), a Detroit Catholic Pastoral Alliance program, was co-founded by two men after their release from serving more than 30 years in prison. The mission of FORC is to assist those trying to navigate life after prison and advocate for criminal justice reform, ending unjust convictions and working within the legislative process to create just policies. Sister Alice Baker has served as Chair of the Board for more than three years. She helps lead the organization and assists individuals in focusing on personal growth and immediate needs, such as clothing, transportation, housing referrals, hygiene items, employment and volunteer opportunities. **“The men and women who come to FORC are like refugees in the city of Detroit. Shelter, food, clothing and jobs are their basic needs. I have the privilege of being one of many who are answering a call to serve. I believe this is God’s work.”**

SISTER JANE HERB – Board member, Marygrove Conservancy

Established in 2017 the Marygrove Conservancy is a nonprofit organization that manages operations and stewards a 53-acre campus in northwest Detroit, the site of the former Marygrove College which IHM Sisters operated from 1905 until 2019.

Sister Jane Herb has served as the IHM community’s president for 12 years. Additionally, she has held a seat on the Marygrove Conservancy Board of Directors since its inception. A major initiative of the conservancy is managing a landmark partnership to create a cradle-to-career (P-20) educational campus on the site. The P-20 campus, Marygrove Learning Community, is designed to be an educational, economic and civic anchor in the revitalization efforts of the Livernois-McNichols community. The campus will integrate academic experiences from early childhood to college and career with community-driven services, so that students are empowered and equipped to define their own future and that of their communities. **“The Marygrove Conservancy carries on the rich tradition of the IHM Congregation after Marygrove College closed. The foundation of the Conservancy is education and the presence on the Marygrove campus supports the long-standing commitment of the congregation to the city of Detroit.”**

SISTER ELIZABETH WALTERS – Grant writer, Crossroads of Michigan

For more than 53 years, Crossroads has been trusted to help individuals and families living in extreme poverty and dire need. Acting in partnership with many other agencies, parishes, hospitals, companies and organizations in the metro Detroit area, Crossroads offers assistance in the form of a hand-up. Sister Elizabeth Walters finds great joy in ministering at this special place. Formally, she served as coordinator for the soup kitchen, organizing more than 800 nutritious meals to be prepared and served each Sunday in a welcoming, clean and safe environment. She also coordinated nearly 2,000 volunteers each year in providing food for the hungry. Sister Elizabeth's current ministry as a grant writer allows her to seek funding for desperately needed programs, services and resources. **“Working on behalf of poor and abandoned people is at the heart of the liberating mission of Jesus and the IHM congregation. Each day I thank our loving God that I am able to meet, learn from and serve impoverished people.”**

A NEW MINISTRY

At age 90, Sister Anne Wisda accepts a new calling.

During my years of taking a stance against the death penalty, I never reflected on the alternative: the death sentence of life without parole. God sent me a new ministry opportunity and it has awakened me to the meaning of “a hidden death penalty.”

Over a year ago, Sister Jane Herb, our congregation's President, received a letter in her Christmas mail addressed to the “Mother Superior.” An elderly inmate imprisoned for more than 40 years with life without parole requested that a sister be his pen pal. I accepted this invitation. In my first letter, I introduced myself

and shared information about IHM Sisters. About a month later, I received his letter stating that he was happy that I decided to send letters “back and forth” with him and that he would try to write about once a month. Sister Helen Prejean's guidelines for letter writing to prisoners were informative in preparing me.

This new ministry allows me to respect a prisoner's request to have a pen pal and treat him with dignity. Whenever I receive a letter,

I respond with information about the sisters' ministries, prayer services and interesting stories. He was quite impressed with the article about our sisters' ministries at the Texas/Mexico border. I also mailed a photocopy of our 70-year Jubilee class photo and the corresponding newspaper article. He wrote, “Your service to the Lord is unbelievable - 70 years as a sister of IHM. I'm giving you an A+ for that and I'm sure Jesus will, too.” My pen pal shares information about his life and appreciates receiving mail. On one occasion, he expressed fear that I would stop writing to him.

Prisons are a harsh place to grow elderly. Some of the imprisoned have lived 40-50 years just waiting for death. Alaska is the only state that does not permit life without parole. While the prisoners wait for death, they should be treated humanely. Being a pen pal can be one way to treat a prisoner with dignity. Recently, my pen pal informed me that he submitted my name and address to the prison authorities to request that I be informed when he “gets sick or dies.”

My brief pen pal experience reaffirms Pope Francis's statement, “Life without parole is a hidden death penalty.”

Donor Spotlight

Around 20 years ago, the IHM Sisters sent a request to their student alums, asking them to adopt a Sister living at the Motherhouse for a visit, lunch or pen pal correspondence. Donna Mercure Sprecher, who lives in Georgia, requested a pen pal, and was assigned to Sister Letitia O'Connell. Initially, they exchanged a few letters and then she visited the Motherhouse with her two young children, Erika and Trey. During the visit, a spark of joy between the children and the sisters ignited a family relationship that has lasted for more than two decades with not only Sister Letitia and Sister Mary Laubacher (Donna's principal while attending St. Mary Academy) but with the entire IHM Motherhouse community.

Erika, who was then about five years old and loved making crafts, asked if they could make something for the "nice sisters who live in the big, beautiful building with the church that had pretty blue windows." So, the journey began! The first project was colorful foam wall and door hangings, with three-year-old Trey in more of a supporting role. Six months later, they visited the Motherhouse again, and the children were delighted to see their foam artwork adorning the doors. A few sisters offered them scooter rides, which created quite a commotion as laughter echoed through the grand halls. The long car ride back to Georgia was filled with planning ideas on how to continue to make the sisters happy and perhaps get a few more scooter rides. That is when the idea of making Christmas ornaments for each sister was born. At the time, there were over 250 sisters living at the Motherhouse, so they asked Grandma (Lorraine Mercure) to help them make the ornaments, which has turned into a wonderful family tradition.

As time passed, the twice a year visits to hand deliver the ornaments were filled with Sister Letitia sharing stories of her time teaching in Japan, enjoying sweet treats in the ice cream parlor, art lessons and visits to the Chapel. In turn, the children shared their life adventures and goals with her. A truly priceless relationship was formed over the decades and cherished memories live on in their hearts. Other visit highlights for these "ornament rock stars" were being recognized

while eating lunch in the dining hall with all the sisters and seeing their smiling faces while hearing their wonderful stories.

Erika and Trey, now in their 20s, reflect on the years of walking the hallowed halls of the Motherhouse, seeing years' worth of handmade ornaments hanging on the sister's doors and inside their rooms, and cherish those priceless memories. The joy reflected in the sisters' faces, the anticipation of the year's ornaments and the relationships fortified over time are the true gifts. The motivation behind the ornaments had its roots in the happiness shared, the relationships nurtured and the heartwarming tales spun around these interactions. They are looking forward to another decade of spreading joy!

Sister Letitia gives Erika and Trey an art lesson; Donna, and husband Tom, visit with Sister Letitia; Sister Mary, Sister Letitia, Erika and Trey; Erika and her grandmother, Lorraine Mercure, handcraft Christmas ornaments

Associate Spotlight

I became a Catholic when I married my husband, Art, in 1967. He passed in April 2022 after 55 years together. We enjoyed four children, seven grandchildren and two great-granddaughters. When we married, I said “Yes” to being a Vatican II Catholic as changes were being introduced into parishes. It was energizing to be part of what I felt to be a new Spirit-guided movement in the Church.

My first friendships with IHMs began at St. Rene Goupil Parish, Sterling Heights, Mich., in the early 70s, with Sisters Alice Miller and Beatrice (Bea) Faucher being staff members. In the early 80s, Sisters Mary Fran Gilleran and Pat Nagle invited me to help found *Women’s Sources and Resources (WS&R)*, a non-profit organization encouraging women’s voices and spirituality in the Church. I began the *Kindred Spirits Newsletter* under the auspices of WS&R to

give voice to women’s concerns in a patriarchal church. At that time, I also enrolled in the Pastoral Ministry Master’s program at Marygrove College, began discerning about becoming an IHM Associate, and was invited to be part of an IHM Basic Government Unit. Since becoming an IHM Associate almost 40 years ago, I have participated in countless committees, speaker presentations, golf experiences, peace/justice actions, prayer rituals, funerals, committees, celebrations, workshops, retreat days, annual Earth Days, committees, writing endeavors, theological education, community days, committees, assemblies, environmental projects, vigils and marches, and did I mention committees?

What I cherish the most about being an Associate is the personal, caring friendships. I am so grateful to be able to call so many “friends.” However, a close second is what has fed my soul throughout the years—our community conversations. The IHM Sisters have contemplatively questioned and communally discerned how God is present and creating anew with what is going on in our Church, country, cultures, the global world, and, actually, the whole universe! Sharing questions has sprouted my spiritual awakening and my human relational growth. I have found no other place to consistently engage in respectful dialogue on meaningful questions about life and contemporary problems.

The answers? Well, the IHMs are still teaching me that from a contemplative stance with God, **we faithfully and daily live into the answers.** I am on a pathway to being a better-informed citizen, having a heart without walls, and being a peaceful, caring presence wherever I am. I am an IHM being.

Betty Jane (B.J.) Schlachter, IHM Associate

B.J. speaking at the IHM Associate 40th Anniversary gathering.

IHM Associates make a non-vowed commitment to share in the life and ministry of the IHM community. Associates are women and men of different ages, backgrounds and faith traditions who are attracted to the vision and values of the IHMs. Associates maintain their own homes, families and lifestyles.

After a period of discernment and orientation, they enter into a formal covenant with the community for a specific, renewable period of time, focusing on prayer, community and ministry.

Theresa Maxis Award

On Oct. 13, 2022, friends gathered at the Detroit Athletic Club for the seventh annual Theresa Maxis Award to honor and celebrate Tom and Yvonne Larabell. We raised \$84,605 to benefit IHM ministries and the retirement needs of the congregation. The Theresa Maxis Award recognizes community leaders who embody the values and vision of the IHM community: deep faith, pioneering spirit, service to the poor, commitment to justice.

Mary Jane Herb, IHM, presents the award to Tom and Yvonne.

TOM AND YVONNE LARABELL

Tom was a widower with three young children when he and Yvonne married in 1979. Since then, the family has grown to four children, nine grandchildren and three great-grandchildren. After the wedding, Yvonne immediately set aside her professional career and devoted her attention to raising the children and volunteering at the children's schools, the parish and the community.

Tom continued his career as a partner at Deloitte. During this time, he worked on the Allocation Committee for United Community Services and on the Finance Committee for the Metropolitan Detroit YMCA, where he received the Volunteer of the Year award. Additionally, Tom was on the board of directors for Project Transition and Kensington Academy. At University of Detroit Mercy, he served as president of the National Alumni Association, chairperson of the Business School Advisory Committee and was a recipient of the Tower Award. In addition, he served on various committees at his parish. Since retirement in 1996, Tom has voluntarily, at various times, managed the maintenance department at University of Detroit Jesuit High School and Academy, been business manager at his and a neighboring parish, treasurer of St. Leo's Soup Kitchen and chaired a parish capital campaign. For more than 25 years, he has served on the board of directors of Rose Hill Center, a residential

rehab facility for individuals with mental illness; during that time, he managed two major construction projects. He is on the facilities committee at University of Detroit Jesuit High School and Academy. For the past 19 years, he has been a member and has served as area chair and treasurer of the Order of Malta. He has made 10 pilgrimages to Lourdes during which he cared for maladies or ill people. Tom was instrumental in opening the Malta Dental and Medical Clinic at The Center for Works of Mercy in Detroit in partnership with Catholic Charities of Southeast Michigan. He currently serves as the Clinic's president.

During Yvonne's career as a social worker, she worked for the State of Michigan as a public assistance worker, followed by a position as an intake specialist with Catholic Social Services of Wayne County. She left the field of social work and held administrative positions at Wayne State University School of Medicine and The American Friends of the Vatican Library. As a graduate of Marygrove College, her commitment continued as a recruiter and eventually associate director of the Admissions office. Since raising the children, her volunteer involvement has been broad. She supports the various organizations in which Tom has leadership roles, especially Rose Hill Center and the Order of Malta. Yvonne has been active in her

parish, St. Mary in Royal Oak. She held leadership roles in the ministries of the Christian Service Commission, primarily the Funeral Lunch ministry, the Warming Center and the Giving Tree project. Those who work with her are always amazed by how she stays in the background and quietly handles all the details. Recently, her time has been primarily committed to helping individuals and families and keeping people connected. She is always preparing meals for people – whether they be ill, homebound, recently had a baby or suffered a death in the family. She drives people to doctor and clinic appointments, hospital visits and grocery shopping. She sits with family members while their loved ones are in surgery, prepares sandwiches for the homeless, visits family and friends in hospitals and other health facilities and coordinates meetings and meals with friends.

Tom and Yvonne are the embodiment of mission. They make this world a better place in which to live. With infectious smiles and a can-do spirit, they have devoted immeasurable hours in service to others and continue to seek opportunities to improve the lives of those in greatest need.

In 1845, Sister Theresa Maxis agreed to help Rev. Louis Gillet found a new congregation of educators in Monroe: the Sisters, Servants of the Immaculate Heart of Mary. Her deep faith, courageous spirit and action for justice are reflected in those selected for the award that bears her name.

IHM SISTERS' Thank-a-thon

A great time was had by all at the kick-off party for the second annual Thank-a-thon. During February, many sisters and associates called or sent greeting cards to randomly selected benefactors to share our gratitude. We connected with more than 900 friends who generously support the life and mission of the congregation.

“The Thank-a-thon provided quite a treat for me and for several of my fellow classmates from St. Michael the Archangel School in Miami, when I received a phone call from Sister Anne Wisda. She called during a snowstorm in Monroe, and told me she chose my number at random because I live in sunny and warm Florida and it was snowing to beat the band at the Motherhouse. While that produced a chuckle, the rest of our conversation was quite a surprise. Turns out Sister had taught at St. Michael in the early 1960s, and she was one of the first-grade teachers in 1961, the year I was a first grader!”

On Dec. 21, 2022, sisters, associates, residents and staff gathered in the foyer of the Motherhouse for the blessing and lighting of the Christmas Tribute Tree. The many tributes sent in from our friends and benefactors were prayerfully remembered.

Your generous support helped us raise \$27,600 to enhance living spaces in assisted living areas and the specialized memory care unit, McGivney Way. Your gifts also helped purchase automatic door openers for areas that are not readily accessible by sisters who require mobility assistance.

Volunteer and former staff member James DeSloover (deceased) participated in the ceremony by spreading joy, singing carols and lighting the tree.

Founded in October 2003, River Raisin Institute (RRI) grew from the IHM Sisters' commitment to sustainability. With a focus on environmental education, sustainability awareness and ecological stewardship, RRI sponsors educational works with the goal to respect, nurture and promote the well-being of all creation. To learn more, visit rriearth.org.

"We stand at a critical moment in Earth's history, a time when humanity must choose its future." Preamble to the Earth Charter

WATER FESTIVALS

During the Lake Erie Water Festival and River Raisin Water Festival, sixth-grade students attend educational presentations facilitated by environmental experts who provide hands-on activities and demonstrations. Students learn about water science, pollution prevention and sustainability concepts while utilizing the award-winning IHM Sisters' green campus as a living laboratory. Thousands of students have participated in the water festivals on the IHM campus and at the Adrian Dominican Sisters Motherhouse campus in Lenawee County.

ENVIRONMENTAL CAREER DAYS

RRI, in collaboration with the Monroe Boat Club, offers this annual program to inspire future environmental careers and cultivate citizen stewards for the Lake Erie watershed. Seventh-grade students in Monroe County participate in a two-day program at Monroe County Community College and Monroe Boat Club. The activities offered at the college focus on agriculture, proper waste management, environmental education and the effects of human behavior on our natural environment. At the Monroe Boat Club, the students collect and analyze lake water samples and take a boat ride to observe the impact of human activity on Lake Erie. They also hear first-hand accounts from the border patrol who protect our waterways.

CLIMATE LITERACY

What does it mean to be climate literate? Climate science literacy entails comprehending the essential relationship between human actions and the environment and the impact of climate on human health. Our 2023 initiative, *Amphibians: The Ultimate Double Agents*, focused on climate change's impact on frogs. Each participating school received curriculum resources and a frog armature to create using recycled and repurposed materials.

BUDDING NATURALISTS SUMMER CAMP

The River Raisin Institute provides a summer environmental camp for children between five and nine years old. The four-day camp is held at St. Mary Organic Farm on the Motherhouse grounds. Students participate in games, arts and crafts, a pollinator walk, a water bug study, exploring the community garden and much more.

PARTNERS SUPPORTING CRITICAL FOOD NEEDS

At the Monroe County Community College Urban Farm, RRI grows fresh, organic produce. This year, 3,800 pounds of produce was harvested and delivered to local organizations that provide nutritious food to those who need it most.

BEACH CLEAN-UP AT STERLING STATE PARK

Our region is home to unique terrestrial habitats and Lake Erie, the most biologically diverse among the Great Lakes. During programs such as beach clean-up days, our goal is to preserve and rehabilitate these exceptional areas and raise awareness of their significance to the community.

Dear friends and benefactors,

It is my pleasure to present to you the 2022-2023 Annual Report, *Inspirational Giving*. As I reflect on the past year, I am filled with a profound sense of gratitude. Your generosity has allowed the congregation to focus on ministries, care for aging sisters and work toward a more sustainable inclusive future for all. Thank you for choosing to partner with the IHM Sisters and for your invaluable support of their life and mission.

In this edition of *Inspirational Giving*, you have read about diverse ministries some of our sisters are actively engaged in as well as ministry grants awarded to our sisters and associates through our yearly grant process. I hope you appreciated

reading about the impactful endeavors of the River Raisin Institute, Thank-a-thon, associate spotlight and our special events. I trust you delighted in the heartwarming story of the family highlighted in our donor spotlight. Along with the listing of generous benefactors, we included the names of loved ones that were shared with tribute giving. We gratefully acknowledged those who included the IHM Sisters in their estate plans.

While some of this annual report focuses on achievements of the past year, I am very much focused on the future and eagerly embrace the opportunities that lie ahead. I look forward to a focus on planned giving initiatives. Should you be contemplating a legacy gift, I invite you to explore the

benefits of planned giving at ihmsisterslegacy.org. Our newly launched website offers essential insights into various giving options, along with a complimentary estate planning guide, planned gift calculators and a will planner to assist you in the process. With gift planning, you can provide long-lasting support for the IHM Sisters while achieving your personal financial objectives, all while making a difference in the congregation's future.

May the blessings you have bestowed upon the IHM Sisters be returned to you abundantly by the grace of God. You and your loved ones remain in the daily prayers of the sisters.

Gratefully,

Future of Hope Legacy Society

Estate planning provides for the future needs of your family and loved ones.

It can also ensure charitable organizations, such as the IHM Sisters, are remembered.

The Future of Hope Legacy Society was established to accomplish a twofold purpose:

- To thank and recognize benefactors who have made legacy gifts to the congregation;
- To encourage others to consider making a planned gift to the Sisters, Servants of the Immaculate Heart of Mary.

By including a bequest provision in your will, you can continue to support the sisters well into the future.

If you have already planned a gift to the Sisters, Servants of the Immaculate Heart of Mary or are considering doing so, please let us know. Whether you choose to remain anonymous or lend your name in support of our community and mission, we would like to honor you as a member of the Future of Hope Legacy Society.

Should you have any questions, please contact the Development office at 734-240-9860.
