180 YEARS

SISTERS, SERVANTS OF THE IMMACULATE HEART OF MARY
ANNUAL REPORT | 2023-2024

Sisters, Servants of the Immaculate Heart of Mary

are Catholic women drawn together in community and bound together in faith.

Urged by the love of God to respond to the most serious needs of our time, we pursue justice, peace and sustainable ways of life. Our community ministers in education, pastoral care, spiritual development, social services, mental and physical health and social justice.

Mission

Urged by the love of God, we choose to work with others to build a culture of peace and right relationship among ourselves, with the Church and with the whole Earth community.

Vision

The IHM community envisions and is committed to bringing about the dream of God on planet Earth through respect for, nurturing of and promoting the liberation and well-being of all persons and all of nature as God's good creation.

Congregation belief statement

As an IHM community, we believe the Spirit is inviting us to enter more deeply into the liberating mission of Jesus Christ as we come to understand it anew through the mystery of the Sacred Universe.

We believe in

Decisions in light of Gospel values • Inclusive community •
Collaborative partnerships • Ecological consciousness •
Integration of mind, body and spirit •
Intellectual curiosity • Action for justice

Dear friends of the congregation,

Every day we give thanks to God for you! We are deeply grateful for your friendship and support. Our annual report is one of many ways we celebrate the gift of relationship. Every person and group named in this book has a place in our heart and in bringing about the kingdom of God. We celebrate and are encouraged by your commitment.

Through your commitment, you help us provide care for our retired and infirm sisters, who have devoted decades of their lives to caring for others in a wide variety of ministries.

Your gifts also enable IHM sisters to incarnate the liberating mission of Jesus in many “spaces longing for liberation,” as it is written in our

Chapter Direction. Together, we tend to many who long for an end to suffering, who hunger for justice and peace and who thirst for God.

In this 180th year since the founding of the IHM congregation, your support helps shape the ongoing narrative of IHM, conveyed in the stories of each sister and everyone we encounter on the journey. I want to share a few of these stories in gratitude for the difference you are making in the world through your relationship with IHM.

One story is about “ordinary” acts of service, compassion and love. Sister Camille Brouillard assists sisters who have retired and need help organizing and packing for their move home to the Motherhouse. She also helps out in the local community, preparing meals for residents in transitional housing at Oaks of Righteousness in Monroe.

Another story takes us across the globe with a mission to end human trafficking. Sister Ann Oestreich is a founding member of U.S. Catholic Sisters Against Human Trafficking, now known as the Alliance to End Human Trafficking. Under her leadership, the organization has grown to include more than 120 congregations of Catholic sisters, Catholic coalitions, universities, health systems and other partners working together to end human trafficking.

Many of our stories involve collaboration with others to achieve something greater than a single person or group alone could. Such is the case with our service at the Texas border. Along with two IHM congregations in Pennsylvania and the Oblate Sisters of Providence in Baltimore, we opened a house of ministry in McAllen. There, our Sister Carmen Armenta Lara is part of a group of sisters who help women, children and men in desperate need of basics such as food, clothing, diapers, formula and health care.

Sister Audra Turnbull ministers with Compassionate Companions, a professional guardianship agency in Southeast Michigan. Sister Audra connects clients to resources that help foster their independence. She is a strong advocate for clients and ensures that each person is seen, heard and respected.

Thank you for being part of these stories in the life and mission of our IHM community. We are grateful for your companionship on the journey, and we keep you always in our hearts and prayers.

Gratefully,

Maxine Kollasch, IHM
President

Reverend Louis Florent Gillet, a Redemptorist missionary, driven by his unsuccessful search for religious educators to teach those lacking spiritual and educational opportunities, established a community of sisters on the banks of the River Raisin in Monroe, Michigan. On Nov. 10, 1845, Father Gillet and Sisters Theresa Maxis Duchemin, Charlotte Ann Schaaf and Therese Renauld gathered in St. Mary Church for Mass and a ceremony that marked the beginning of the congregation. For more than 100 years, IHMs held education at the heart of their mission.

In 1948, Bishop James Peter Davis of San Juan, Puerto Rico, asked the IHMs to staff a school, launching the congregation's education ministries overseas. The 1950s saw a growing demand for Catholic school teachers across the United States. Meanwhile, the Sister Formation Movement began, advocating for a sister's need to complete her degree before being assigned her own classroom.

The congregation's mission to educate young people remained unchanged until Vatican II. Of the many changes the congregation has experienced, perhaps the most significant began when the Second Vatican Council urged men and women religious to be more actively engaged with people, serving those in greatest need. Many sisters embraced the change and welcomed new ministry opportunities with diverse populations and cultures, working with adults and alongside laypeople. With their strong educational background, including many holding advanced degrees, IHMs were positioned to fully embrace and implement the directives of Vatican II.

180 years of service and mission

IHM Sisters have evolved and adapted our ministries to meet shifting needs. From our foundational and continued work in education to our expanding focus on justice and sustainability, we strive to bring freedom and healing to those we serve, especially those who are oppressed, marginalized or suffering.

In the spirit of Louis Florent Gillet, who saw so many needs that he desired to be everywhere, IHM Sisters opened missions in Grenada, West Indies; Honduras; Ghana in West Africa and Kenya in East Africa. They served among Native American tribes in the West and Great Plains of the United States and assisted Vietnamese orphans and refugees.

IHM Sisters also ministered in 42 states and Canada, Egypt, England, Guatemala, Haiti, India, Italy, Japan, Kenya, Mexico, Nicaragua, Peru, Puerto Rico, South Africa, South Sudan, Spain, Uganda and Zimbabwe. Today, IHM Sisters continue their ministries in 13 states, Mexico and Puerto Rico, living the liberating mission of Jesus and responding to the most urgent needs of our time.

Milestones and moments

JULY 2023 TO JUNE 2024

JULY 2023

The IHM Justice, Peace and Sustainability office organized an exhibit of Soul Boxes representing 2,940 men, women and children who were victims of gun violence in Michigan over 13 months. Nationwide, people contributed by folding paper origami soul boxes, each symbolizing a person killed or injured by gunfire. Both the act of making a soul box and the exhibit itself served as beautiful tributes to lives cut short by violence. Many visitors were moved to tears as they grasped the sheer scale of loss. The exhibit has since been displayed at Michigan State University and Oxford High School, where mass shootings have occurred.

AUGUST 2023

Sister Judith Coyle returned to the U.S. after almost 38 years of ministry in South Africa. Sister Judith was one of the first team of IHM Sisters who arrived in Howick in 1985 to assist the Redemptorists in theological education for priests and brothers. She is the last IHM to return home from the African continent. Sister Judy retired as the head of the theology department at St. Augustine's, where she was recently awarded their highest honor, the Bonum Commune.

Sister Judith welcomes Fr. Martin Badenhorst, OP, as the new head of the theology department.

SEPTEMBER 2023

Sisters gathered on the Motherhouse veranda for an autumn celebration filled with laughter and conversation. They enjoyed cinnamon doughnuts and refreshing apple cider as friendly competition heated up during a lively game of cornhole. Surrounded by the beauty of changing leaves and the warmth of community, everyone embraced the simple pleasures of the season, making cherished memories together.

Sisters Loretta Schroeder and Brigid Wade enjoy a fun game of cornhole.

OCTOBER 2023

Bishop Thomas Gumbleton and Sister Sue Sattler, co-authors of *No Guilty Bystander: The Extraordinary Life of Bishop Thomas Gumbleton*, participated in a book discussion and signing on campus. They shared how the book developed during the pandemic and discussed the Detroit chapters Sister Sue wrote. The audience was given an opportunity to ask questions. The stories of the Bishop's experiences and his friendship with Sister Sue were enjoyed by all. Proceeds from book sale supported the Kai Lasante Health Clinic in Haiti.

NOVEMBER 2023

Every few years, The Institute for the Study of Contemporary Spirituality at Oblate School of Theology honors a distinguished scholar who has significantly contributed to the academic discipline of spirituality. A conference was held in honor of the work and legacy of our globally recognized sister, Sandra Schneiders, IHM, STD, Professor Emerita, Jesuit School of Theology at Santa Clara University, who helped define the contemporary field and whose work is foundational in understanding the landscape of the discipline.

DECEMBER 2023

Sister Mary Jane Herb attended a joint meeting organized by The International Union of Superiors General and the Union of Superiors General. More than 250 superiors general attended the event, which was held at the *Fraterna Domus* Spirituality House in Sacrofano, Rome. The conference represented a moment of hope and commitment for religious life, offering participants the opportunity to share ideas, discern together and renew their commitment to create a more synodal Church. As part of the meeting, the group had a private audience with Pope Francis.

JANUARY 2024

Wear Blue Day is an awareness campaign organized by the Department of Homeland Security, held annually on January 11 in support of National Human Trafficking Awareness Day in the United States. Sisters and staff gathered in the Motherhouse foyer, dressed in blue, to help raise awareness about human trafficking, its impact on individuals and communities and the importance of recognizing and reporting suspicious activities. Their participation also demonstrated solidarity with survivors and a commitment to advocating for stronger efforts to combat trafficking.

MARCH 2024

We celebrated Catholic Sisters Week with a Facebook campaign, encouraging weekly commitments to service, sustainability, learning, connection and spirituality. Suggestions included volunteering, conserving water, reading, enjoying nature, engaging in new conversations and nurturing faith.

FEBRUARY 2024

On Shrove Tuesday, sisters and staff enjoyed a joyful Mardi Gras celebration that embraced the spirit of community, laughter and tradition. The festive decorations in purple, green and gold symbolized justice, faith and power — the core values that honor both the celebration and the upcoming reflective season of Lent. The gathering highlighted the season’s meaning as a time of reflection, renewal and preparation for Lent. Some sisters carried on the tradition of Venetian masks and enjoyed the sweets of the season in preparation for the 40 days of fasting and reflection.

APRIL 2024

Sisters and guests gathered outside near St. Mary Organic Farm to experience the once-in-a-lifetime solar eclipse!

Eclipse watchers gathered at the gazebo, near St. Mary Organic Farm.

We witnessed the temperature drop and the onset of near darkness as we were near the path of totality. The sight of the sun’s corona glowing around the moon was nothing short of breathtaking. It was an awe-inspiring, reflective experience filled with a sense of wonder and gratitude for the beauty of nature and the cosmos.

MAY 2024

The River Raisin Institute, a nonprofit founded by IHM Sisters to offer educational programming on sustainability, hosted its annual Water Festival. Hundreds of Monroe County students spent the day engaged in activities, enjoying beautiful weather. The students attended presentations by environmental experts who taught topics like water science, pollution prevention and sustainability, all while exploring the award-winning green campus, which served as a living laboratory.

JUNE 2024

We were honored to be part of the filming of *The Calling*, a documentary that explores the history of religious sisters and their roles in society today. During the filming, Sisters Joan Mumaw and Gloria Rivera were interviewed. Sister Joan shared a brief history of IHM Sisters, highlighting her 18 years in leadership and 26 years working in or on behalf of Africa, where she became a passionate advocate for peace and justice in South Sudan. Sister Gloria discussed the transition brought about by Vatican II and the Church’s growing focus on global environmental issues, particularly through Pope Francis’ encyclical *Laudato Si’*, which focuses on caring for our common home.

New IHM leadership team takes office

The new IHM Sisters Leadership Council began its five-year term of office July 20, 2024. The transfer of leadership was formalized at a ceremony during an afternoon liturgy in the IHM Chapel. Members of the new team are Sisters Maxine Kollasch, President; Ann Oestreich, Vice President/Mission Councilor; Lisandra Pedraza Burgos, Mission Councilor and Kathy Onderbeke, Treasurer/Mission Councilor.

The ceremony began as the outgoing Leadership Council, Sisters Mary Jane Herb, Marianne Gaynor, Margaret Chapman, Patricia McCluskey and Ellen Rinke, gathered at the front of the Motherhouse Chapel. On behalf of the whole community, they called forth each new team member who stepped forward from among sisters, associates, staff, family members and benefactors to formally accept the call to leadership. Through a laying on of hands, the new team was blessed and affirmed by all gathered.

The new leadership team was elected at the IHM General Chapter in April 2024. Prior to the election, nearly 100 delegates approved the community's major direction for the next five years. The Chapter Direction was the result of months of prayer, discernment and discussion across the community, reflecting on what the mission is asking of IHM now.

The chapter theme was *Daring, Risking, Dreaming*. This framework reflects the spirit of a new moment evident at Chapter and continues to spark energy for the future, setting the stage for deep transformation.

A key role of the Leadership Council is to assist the community in expressing the Chapter Direction in all aspects of IHM life and service, rooted in faith and spirituality. Chapter Directions in previous years have led to IHM collaboration with people nationally and internationally on social justice issues such as climate change, human trafficking, AIDS, hunger and immigration. The team will also implement the new governance structure approved at the General Chapter, moving from a representative model to an assembly of the whole.

LEADERSHIP COUNCIL (2024-2029)

Sister Ann has a Bachelor of Arts in Spanish from State University College in Buffalo, a Master's in Foreign Language Instruction — Secondary Level from the State University of New York in Buffalo, and a Master's in Telecommunications Management from Michigan State University.

CHAPTER DIRECTION 2024

We commit to being and becoming Christ's liberating mission. We follow in the pathway of those who have gone before us, especially Theresa Maxis Duchemin who discerned the calling of the Spirit to begin something new. As kin of Theresa, we carry — within each of us and as a community — an innate trust in Providence and fierce love of one another and the world.

We recognize that we are setting out once again on a journey, a journey that is at once inward and outward, deeply personal and communal. It is a journey of both poetry and the roughest kind of prose. It takes us into the very depths of who we are as humans in the great expanse of an ever-unfolding, ever-revelatory universe.

Each of our stories writes the narrative of IHM, unfolding again and again the charism, especially in spaces longing for liberation. Together, we dare, we risk and we dream of the unfolding of the kingdom of God.

The Chapter Direction is not so much a "directive" or a kind of "to do" list, but more about a way of being, a way of living. — SISTER MAXINE KOLLASCH

She holds a Doctorate in Philosophy with a major in integrated teaching and learning, with cognates in early childhood education, multicultural education and qualitative research from The Ohio State University.

Sister Kathy Onderbeke is from Detroit, Michigan. When discerning God's call to religious life as a collegiate, she researched several communities, which led her to join the IHM congregation. She has ministered throughout Michigan as a K-12 educator, director of Christian service, pastoral associate and campus minister in the Archdiocese of

Sharing the IHM legacy

By Ruth Meiring, IHM Associate

With an aunt, Doris Henn, in the IHM community, our family has been blessed with a deep and on-going relationship with the IHM Sisters. Even with her passing in 2007, the sisters have graciously responded to my personal quest to grow closer to God, offering opportunities for prayer, ministry activities and friendship. In 2016, I deepened my commitment to IHM values and ministry by becoming an IHM Associate.

Ruth Meiring and Jim McGowan (left) teamed up with Pam and Dave Gordon to prepare a meal for those in need at a local homeless shelter.

Our treasured family relationship with the IHM Sisters, along with a desire to be active members of a vibrant Christian community, motivated my husband, Jim, and me to explore the opportunity to move into the lay apartments on the Motherhouse Campus. As we did more research, we discovered countless reasons — spiritual, financial, health-related, security, safety and social — that confirmed this was the right move for us.

In 2021, we moved into one of the 19 newly developed lay apartments. We appreciate the blend of time-honored IHM traditions and values, along with the unique, comprehensive approach to senior living. Although the campus is now operated by Saint Therese, we continue to enjoy new friendships and opportunities for hobbies, education, community service and faith development in a top-rated facility.

RIGHT: Ruth's great-niece, Mary Knudsen, part of a new generation building connections with the IHMs, proudly shows off her new IHM Sister doll.

Living here has deepened our appreciation for the many ways IHM Sisters collaborate with various ages at the local, national and international level to live the Gospel message. It has provided opportunities for Jim and me to be part of the IHM mission in new ways. For example, during Martin Luther King week, we joined with other apartment residents in preparing a meal for a local homeless shelter. It was one of many home-cooked meals provided over the years by IHM Sisters, residents and staff.

Last summer, more than 30 members of my family gathered to honor our connection with the IHMs by performing a musical tribute in the Maxis Community Room. Many relatives are graduates or currently attend a Catholic school which was once staffed by IHM Sisters. It included a performance by our nephew, Drew Langton a seminarian for the Diocese of Marquette. However, the stars of the show were the little ones. It was a delight to watch the next generation begin joyfully building their own legacy connections with the IHM Sisters.

Theresa Maxis Award

honoring Father Tim McCabe, SJ

We raised
\$99,500
 to benefit IHM ministries and the
 retirement needs of the congregation.

Father Tim shares a laugh with family and friends.

The Theresa Maxis Award recognizes community leaders who embody the values and vision of the IHM community: deep faith, pioneering spirit, service to the poor, commitment to justice. On Oct. 26, 2023, friends gathered at the Detroit Athletic Club to honor and celebrate Father Tim.

Throughout his life, Father Tim has immersed himself in social justice issues and has worked to positively impact the lives of so many in our community and beyond. Drawn to the poor and marginalized, Father Tim became involved with the Detroit peace community and the Catholic Worker Movement as a young man. In addition to serving as the director of a refugee settlement project, he also helped repair houses for Detroit’s inner-city poor and served meals in a soup kitchen.

On a humanitarian aid mission to El Salvador, he was drawn to his Jesuit companions, whose faith in action propelled his decision to attend the Jesuit-based

University of Detroit Mercy, where he earned a bachelor’s degree in political science. He joined the Jesuit Volunteer Corps, serving as the human service organization’s Midwest director for 12 years. His work with JVC introduced Father Tim to Ignatian spirituality, significantly impacting how he prayed and understood the world.

In 2005, after many years of discerning a vocation to the Society of Jesus, he answered God’s call to join the Jesuit community. He provided hospice support to homeless individuals in San Francisco before attending the University of Chicago at Loyola, where he earned a degree in advanced philosophy studies.

Father Tim continued his studies at the Jesuit School of Theology at Santa Clara University in Berkley, California, where he earned a Master of Divinity degree while serving as a deacon at St. Agnes Catholic Church in San Francisco.

Father Tim currently serves as the President and CEO of Pope Francis Center in Detroit and is committed to ending chronic homelessness. He is guided by his belief that God’s love and infinite mercy be shown to all persons, but especially those underserved or afflicted in any way.

Thank you for supporting the Christmas Tribute Tree. We raised **\$26,584,** allowing us to replace many outdated computers, laptops and tablets.

This new technology has enhanced quality of life through fostering connections with family and friends, engagement with social justice efforts and supporting personal and spiritual growth.

“I am so grateful for my new laptop and amazed by its remarkable speed. Thank you to all our generous friends.”

— SISTER PAT FROST

“I love my new computer! It really helps me to do my work and stay connected to family and friends. Our benefactors are such a blessing!”

— SISTER LORETTA SCHROEDER

On Dec. 21, 2023, sisters, associates, residents, and staff gathered in the Motherhouse foyer for the meaningful tradition of the blessing and lighting of the Christmas Tribute Tree. The many tributes were prayerfully remembered and celebrated.

Greetings friends and benefactors,

As we celebrate the 180th anniversary of the founding of the congregation, I am filled with gratitude for the profound impact the IHM Sisters have had on our world, our communities and me personally. I am equally grateful for your generous support! Your partnership has enabled the IHMs to continue their ministries, care for aging sisters and work toward a more sustainable and inclusive future. Thank you for being an essential part of this milestone and for your unwavering commitment to their life and mission.

During my 22nd year of working with the IHM Sisters, I gratefully reflect on the gifts they have given me — from formal and professional education to invaluable life lessons and the example of living in service and gratitude. I often have the privilege of speaking with benefactors, which is one of my favorite things to do. It's truly a joy to hear about the countless ways the IHMs have touched so many lives. The kindness, partnership and generosity offered in return are truly inspiring.

I'm happy to have shared the congregation's history of service and mission around the world. I hoped you enjoyed learning about our special events: Royal Blue Classic, Theresa Maxis Award, IHM Sisters' Raffle, Christmas Tribute Tree and Thank-a-thon. You may have also enjoyed reading about the new leadership council, along with our jubilarians, associate spotlight and various highlights from July 2023 to June 2024. In addition to the listing of generous benefactors, we have included the names of loved ones honored through tribute giving. We also recognize those benefactors who have included the IHM Sisters in their estate plans and are members of the Future of Hope Legacy Society.

Thank you for your friendship and generous support of the IHM community. You are kept in prayer during Sunday liturgies in the Motherhouse Chapel as well as in the sisters' daily prayers.

Gratefully,

I am always amazed at how each of our benefactors have been influenced by one or more of my IHM Sisters. However, little do our benefactors know how each of them has touched the lives of our sisters. Their prayer and support allow the sisters to carry on the mission given them by God. May their kindness know God's abundance.

The people we met on mission shaped us in ways we never expected. Thanks to the generosity of our benefactors, this journey was made possible.

Now, with gratitude, we remember that we are all one family in God's eyes.

Charitable lead trusts

Provide the IHM Sisters with income today and assets for your heirs in the future.

Life insurance

IRA charitable distribution

Donors 70½ or older are eligible to move up to \$108,000 from their IRAs to the IHM Sisters.

FUTURE OF HOPE LEGACY SOCIETY

Estate planning provides for the future needs of your family and loved ones. It can also ensure charitable organizations, such as the IHM Sisters, are remembered.

The Future of Hope Legacy Society was established to accomplish a twofold purpose:

- To thank and recognize benefactors who have made legacy gifts to the congregation.
- To encourage others to consider making a planned gift to the Sisters, Servants of the Immaculate Heart of Mary.

By including a bequest provision in your will, you can continue to support the sisters well into the future.

If you have already planned a gift to the Sisters, Servants of the Immaculate Heart of Mary or are considering doing so, please let us know. Whether you choose to remain anonymous or lend your name in support of our community and mission, we would like to honor you as a member of the Future of Hope Legacy Society.

Should you have any questions, please call the Development office at 734-240-9860.

CONSIDERING A PLANNED GIFT?

Explore the benefits of planned giving at ihmsisterslegacy.org. Discover a wealth of information on giving possibilities, including a complimentary estate planning guide, planned gift calculators and a will planner to support you every step of the way.

Your planned gift today benefits IHM Sisters tomorrow!
