## FROM THE PRESIDENT

*Dear friends,*

*I give thanks to my God at every remembrance of you, praying always with joy in my every prayer for all of you. Philippians 1:3-4*

A verse in a beloved IHM community song, “Centennial Hymn,” begins with the phrase “All down the years.” It was written in 1945 by two IHM Sisters to express our gratitude for God’s love and commitment all down the years of IHM life and mission.

In a similar way, this annual report is a song of joy and gratitude for you! It is composed not of verses and choruses, but of stories about your connection with us and the people whose lives you touch through the IHM community. The stories describe the positive difference that caring, supportive relationships make in the world.

Your generosity helps us provide care for our senior sisters, who for decades served as teachers, school administrators, social workers, psychologists and in countless other roles in service to others. Today, our senior sisters remain committed to ministry in ways such as prayer, tutoring, advocacy and pastoral care.

Your support also enables us to be of service to others. IHM Sisters and Associates work with a variety of organizations to assist people struggling against poverty, violence and lack of opportunity. Your gifts to the IHM Sisters help people journey out of human trafficking and provide children and adults with food, clothing, shelter and safety.

You make a lasting difference in an ever-changing world through your support of the IHM Sisters. Your generosity helps to educate and assist young people in efforts to restore the health of the planet. Your gifts enable us to create innovative ministries that address contemporary needs. In this issue of “Inspirational Giving,” you will find examples of such ministries in the stories of the Catechesis of the Good Shepherd, A Nun’s Life Ministry and Catholic Sisters Week. These vibrant ministries, established a number of years ago, continue to help children and adults live a life centered on relationship with God and one another.

We offer these stories with deep joy and gratitude. In the spirit of Philippians 1, we give thanks to God at every remembrance of you and keep you always in our hearts and prayers.

Thank you for being part of IHM life and mission.

Gratefully,

Maxine Kollasch, IHM  
President

# SISTER *trailblazers*

*Visionary women, enduring ministries*

IHM Sisters saw unmet needs, took courageous risks and founded ministries that continue to thrive decades later. Long before “trailblazer” became a common label, IHM Sisters were establishing ministries rooted in faith. The ministries founded years ago are still transforming lives today—living proof that IHMs are architects of lasting change.

## *Sister Andrea Lee*

Trailblazer in education and outreach

Sister Andrea Lee recognized that the courage and impact of Catholic sisters were too often overlooked. With clarity and conviction, she helped launch National Catholic Sisters Week, creating space to share the authentic stories of women religious. Today, Catholic Sisters Week connects the public with more than 42,000 Catholic sisters serving in the United States and around the world.

The weeklong celebration was first observed in 2014 as part of Women’s History Month at St. Catherine University in Minnesota, where Sister Andrea served as president. She helped secure the first grant for National Catholic Sisters Week from the Conrad N. Hilton Foundation. Sister Andrea provided visionary leadership to establish and grow the initiative, ensuring that the stories and ministries of Catholic sisters would be seen, heard and valued.

## *Sisters Maxine Kollasch and Julie Vieira*

Trailblazers in technology and communication

When Sisters Julie Vieira and Maxine Kollasch co-founded A Nun’s Life Ministry in 2006, they stepped into new territory. They brought the voices and lived experience of women religious into digital spaces where few sisters had gone before. They

recognized a growing hunger for authentic conversations about vocation, faith and discernment, especially among young people navigating life in a digital world. Rather than waiting for traditional channels, they built a ministry that met people where they were: online, on the airwaves and in honest dialogue. A Nun’s Life Ministry engaged with people in more than 150 countries.

They embraced new tools and created a ministry that continues to inspire and guide. What began as a bold experiment has become an enduring ministry offering podcasts, videos, live interactions and resources that continue to accompany people as they discern God’s call today. In December 2024, Global Sisters Report acquired A Nun’s Life Ministry, which continues to serve as a resource for helping people discover and grow in their vocation.

## *Sister Joyce Durosko*

Trailblazer in education and innovation

In 1974, Sister Joyce Durosko served at St. Stephen’s Indian School on the Wind River Reservation, working among the Arapaho and Shoshone communities. Recognizing the urgent need for improved educational facilities, she collaborated with the Jesuits to secure a \$4.2 million federal grant to build a new primary school.

As project director, Sister Joyce worked closely with architects on the school’s design. Drawing on her science background, she studied Michigan State University’s biological wastewater treatment system—an innovative approach using bacteria to treat and recycle water for irrigation—and incorporated forward-thinking ideas into the project. It was also during this time that she was introduced to computer technology, which she used to project space requirements during construction.

Sister Joyce, alongside Sister Laetitia Lariviere, taught at the elementary school and witnessed firsthand the community’s strength and resilience. As an administrator, she hired teachers from the tribes and helped transition both ownership and administration back to the people. Her goal was always empowerment and self-determination. Before she left, the community honored her with the Native American name Hi sei Noo’ ote, meaning “woman of empowerment.” Today, the school remains alive and well.

## Sisters Jean O'Connor and Candyce Rekart

### Trailblazers in social justice

At Paula's House of Women Empowering Women in Monroe, Michigan, the pioneering spirit of IHM Sisters continues to transform lives.

Sister Jean O'Connor (1930–2013) was co-founder, board treasurer and a live-in volunteer community facilitator at Paula's House. The home provides a caring, stable transitional environment for women leaving incarceration or treatment programs. Sister Jean believed deeply in presence as ministry. As a live-in companion to the residents, she created a home atmosphere that fostered a sense of security for women in need of support and guidance.

That spirit continues through Sister Candyce Rekart, who ministers at Paula's House today. For the past decade, she has served as a family coach, teaching parenting classes focused on coping skills, creativity and healing for women overcoming addiction, many of whom live there with their children. For Sister Candyce, ministry is rooted in accompaniment, creativity and deep spirituality. "My teachers are the people themselves — people navigating life's realities with courage and hope."

We honor Sister Jean's foundational vision and Sister Candyce's continued commitment. Together, they are women who create spaces of dignity, healing and empowerment that endure.

## Sister Joan Mumaw

### Trailblazer in global unity

When Sister Joan Mumaw helped found Friends in Solidarity, she responded to a call that reached beyond borders. While she no longer lived in Africa, she could still stand with communities in South Sudan as they rebuilt their lives amid conflict, displacement and poverty.

Sister Joan understood that solidarity is not charity but partnership. Friends in Solidarity was created to accompany local communities through education, health care, sustainable agriculture and leadership formation, helping to build long-term stability and hope. What began more than a decade ago as a courageous response to urgent need has grown into a lasting ministry that continues to walk alongside the people of South Sudan.

Friends in Solidarity endures because of Sister Joan's vision. Her leadership reminds us how sisters recognize injustice, imagine new possibilities and help create ministries that transform lives.

## Sisters Gloria Rivera and Paula Cathcart

### Trailblazers in environmental justice

Sisters Gloria Rivera and Paula Cathcart saw a growing need to connect faith, science and environmental stewardship in ways that engaged the community. Their vision led to the founding of Great Lakes Bioneers Detroit, a ministry dedicated to promoting sustainable practices, environmental justice and creative solutions to pressing ecological challenges.

Through workshops, community partnerships and innovative programming, they have empowered individuals and neighborhoods to care for creation, address environmental inequities and embrace science-informed solutions rooted in ethical and spiritual responsibility. Their work demonstrates that sisters can be pioneers not only in ministry but also in innovation, advocacy and ecological transformation.

Sister Gloria and Sister Paula are leaders whose vision and action continue to inspire environmental advocacy and community resilience.

## Sister Nancy Ayotte

### Trailblazer in faith formation

Sister Nancy Ayotte recognized that young children are capable of encountering God in profound ways, but that traditional approaches to catechesis often overlooked their unique needs and gifts. Inspired by the Catechesis of the Good Shepherd method, she helped introduce and expand this faith formation approach in the United States, creating spaces where children could experience Scripture, liturgy and prayer in an age-appropriate, deeply personal way.

Through her vision, patience and leadership, Sister Nancy built a ministry that continues to shape generations of children and catechists in Monroe County. The classrooms she helped establish are living testimony to her belief that faith formation is both relational and transformational.

## Sister Margaret Chapman

### Trailblazer in caring, ethical guardianship

In 2007, Sister Margaret Chapman and five other IHM sisters created Compassionate Companions, Inc. in response to the need for ethical advocates for adults who cannot speak for themselves. The agency began as the Monroe County Guardian, later expanding into Wayne, Oakland and Macomb counties and incorporating as Compassionate Companions, Inc. It primarily serves as court-appointed guardians or conservators for mentally incapacitated adults with no suitable family or surrogate decision-makers, helping with medical, financial and placement decisions. The agency collaborates with community mental health, Social Security and other social service agencies to ensure each client receives proper attention and benefits.

Compassionate Companions continues to provide these services through the dedicated efforts of Sister Audra Turnbull and several lay staff. The team upholds the legacy of the IHM Sisters who, in the words of co-founder Louis Florent Gillet, "began [this ministry] without thinking of the future. . . leaving it to God alone to bless and prosper." The agency serves society's most vulnerable with respect, compassion and integrity, ensuring each person is treated with dignity and given a voice.

**The Workshop Way® is a student-centered approach to teaching that helps children become independent learners. Teachers provide brief, focused lessons, then give students time to work on their own while offering individual guidance and support. The method emphasizes responsibility, choice and hands-on learning, helping students build confidence and strong academic skills. "It is the philosophy that all children can learn that is important. I love how the Workshop Way gave children independence," said Sister Marguerite.**

## *Sister Marguerite Gibbs*

Born in 1925, Sister Marguerite grew up in Flint, Michigan. She was the youngest of three children and was just three years old when her mother passed away. Sister Marguerite attended St. Michael High School in Flint, where she fell in love with her IHM teachers. She entered the IHM community in 1943 and received the religious name Sister Edwarda. She earned a bachelor's degree from Marygrove College and a master's degree in education from Wayne State University.

She devoted 50 years to education, teaching in the Michigan communities of Monroe, Detroit, Ann Arbor, Trenton and Coldwater, where she also served as principal and administrator. Passionate about the Workshop Way® methodology, she used it in her own classroom and trained education majors at Xavier University in New Orleans for 17 summers. She later spent 30 years in pastoral care in Pensacola, Florida, riding her bicycle to work each day and even "swimming with the manatees." While she appreciated Florida's warmth, she still loved Michigan's changing seasons.

In retirement at the Motherhouse, she enjoys sewing for sisters in the community, sculpting, painting, gardening on the veranda, playing piano and guitar, and assisting in the Development Office as part of the "raffle gang." Well into her 90s, she drove herself to the YMCA several times a week where she enjoyed exercising, especially swimming. Reflecting on 100 years filled with service and joy, Sister Marguerite offers simple advice: "Be happy with yourself and make others happy by helping them."

# Sister Marietta Murphy

Born in Buffalo, New York, in 1924, Sister Marietta gave early indication of a vocation that would define her life. As a young girl, she would drape a makeshift habit around her shoulders and play “school” at home, imagining herself one day as a sister.

Shortly after her 14th birthday, the death of her parents brought significant change, and Marietta relocated to Detroit to live with an aunt and uncle. She enrolled at St. Catherine High School, where she encountered the IHM Sisters and recognized in them the life she had long imagined for herself. Following graduation, she took her first steps toward membership in the IHM community.

Her 80-year ministry included teaching at three Michigan schools — St. Joseph in Dexter, Hall of the Divine Child in Monroe and St. Gregory in Detroit — as well as St. Peter Claver in Mobile, Alabama. Additionally, she served as principal of Holy Name Catholic School in Birmingham, Michigan. She earned a bachelor’s degree from Marygrove College and a master’s degree in special education from Wayne State University. The University of Notre Dame held a special place in her heart, where she had a distinguished 15-year tenure, serving as the dean of residence, residence director and campus ministry leader. Sister Marietta devoted all her summer vacations and school holidays to IHM development efforts. Following her time at Notre Dame, she returned to the Motherhouse and was appointed as the congregation’s first director of development. In retirement, she served as a receptionist in the Congregational Business Office.

Prior to her passing, Sister Marietta celebrated her 100th birthday with her IHM community, family and friends. Tributes included greetings from President Joe Biden, Monroe Mayor Robert Clark, Michigan Gov. Gretchen Whitmer, Pope Francis and the Rev. Robert Dowd, CSC, Notre Dame’s newly inaugurated president.

Top to bottom: Sister Marietta wearing a 100th birthday tiara enjoying a University of Notre Dame football-themed birthday cake; Sister Marietta on the campus of Marygrove College; Sr. Marietta smiles alongside her family following a Mass in celebration of her 100th birthday; Sister Marietta as an infant, circa 1925

**Sister Marietta served as principal at Holy Name Catholic School in Birmingham, Michigan, from 1966 to 1975. So profound was her influence that in 1971, her 25th anniversary as a sister was celebrated with “Sister Marietta Day.” Her commitment and kindness remain a cherished part of the school’s history.**

# A WINNING *Team*

Sister Brigid Wade and player Jonah Lambert

The IHM campus once again became a joyful backdrop for local Catholic school athletics as the Monroe Catholic Elementary Schools' third- and fourth-grade football team held practices on the grounds. For decades, students from local Catholic schools practiced sports on the property, but it had been 24 years since the field had seen this kind of activity.

When the Crusaders were invited to use the expansive green field near the organic garden behind the Motherhouse, the return of youthful energy was warmly welcomed by the sisters and residents. Throughout the season, sisters attended practices, offered prayers and shared encouraging pep talks with the players.

The Crusaders finished the season with a record of 4-1-1, a testament to their dedication and teamwork. As their season came to an end, several players and family members returned to the Motherhouse bearing thank-you cards from the full 21-player team, a meaningful gesture of gratitude that touched the hearts of all who received them.

More than just football, the season reflected the power of community and the spirit of hospitality that continues to thrive within the IHM congregation.

Sister Brigid Wade reflected on the experience in the *Monroe News*, saying, "The boys' smiles and heartfelt thank you cards were a beautiful reminder of the joy that comes from giving freely."

Sisters Brigid Wade, Elizabeth Fleckenstein, Marie Miller and Anne Wisda enjoy the thank you cards shared by members of the football team.

**RAFFLE**

The raffle is an integral part of our fundraising efforts. Thanks to you, our benefactors, **the 2024–2025 raffle raised \$191,810.**

These funds helped support the quality care of our retired sisters, who, in addition to their commitment to daily prayer, also serve in many volunteer capacities.

The IHM congregation joyfully celebrated the raffle's 25th anniversary. Launched in 1999 as the Millennium Raffle, and guided by Sister Margaret Chapman and IHM Associate Shirley Carne, the raffle was envisioned as a fresh and engaging way to connect with benefactors while sharing the IHM mission. A friendly competition grew among the sisters as they sold tickets at their parishes and in the communities they served, delighting in every chance to spark meaningful conversations.

On the third Wednesday of each month, October through June, the "Raffle Gang" meets to pull winning tickets. Each drawing awards one \$500 prize, two \$250 prizes, three \$100 prizes and ten \$50 prizes. Over the course of the season, more than \$16,000 is awarded, with each ticket providing 144 opportunities to win.

Drawings are posted on Facebook at [facebook.com/ihmsisters](https://facebook.com/ihmsisters) and a list of winners can be found at [ihmsisters.org](https://ihmsisters.org).

raised, which allowed us to replace outdated mattresses and room furnishings, creating safer and more comfortable living spaces for our retired sisters.

A longstanding and meaningful tradition, the annual blessing and lighting of the Christmas Tribute Tree brought sisters, associates, friends and staff together on December 19, 2024, in the Motherhouse foyer for a prayerful remembrance. A special thank you to each benefactor who allowed us to celebrate someone special in their life while making a difference in the lives of our sisters.

“Thank you to the generous donors supporting the Christmas Tribute Tree. My new mattress is great - I sleep so much better and am most grateful.”

## FROM THE DIRECTOR OF DEVELOPMENT

*Dear friends and benefactors,*

Every year, I have the privilege of looking back at what we have accomplished together, and every year, I am reminded that none of it would be possible without you. Your faithful generosity sustains the vital work of this congregation: ministries that transform lives, compassionate care for our aging sisters and a future rooted in justice and hope. Thank you for your partnership and for the trust you place in our mission.

One of the greatest privileges of my role is connecting with you. Each conversation, email, letter or handwritten note reminds me that the IHM Sisters' influence extends far beyond what any report can capture, carried forward in the people whose lives have been impacted by the sisters.

I hope you have enjoyed this year's *Inspirational Giving* and the stories within it: the congregation's evolving ministries, the initiatives your support has made possible and the people who have shaped this community. It has been a joy to celebrate our "trailblazers" who have created something lasting, our jubilarians, moments and milestones from July 2024 to June 2025 and our special events: Royal Blue Classic, Theresa Maxis Award, IHM Sisters Raffle, Christmas Tribute Tree and Thank-a-thon. In the pages that follow, we gratefully recognize our generous benefactors, honor those remembered through tribute gifts and celebrate the members of our Future of Hope Legacy Society who have included the IHM Sisters in their estate plans.

Thank you for your friendship and ongoing support. Please know that you are not simply remembered; you are held in prayer. You and your intentions are lifted up each day by the sisters and during liturgies in the Motherhouse Chapel.

With deep gratitude,

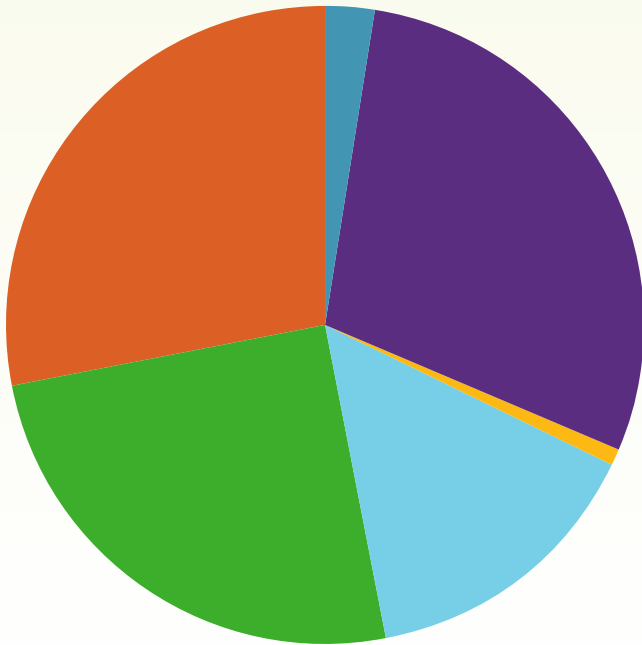

Marilyn S. Meadows  
Director of Development

## WAYS TO GIVE

A Development Office staff member would be happy to discuss ways you can make a gift to the congregation. Please call 734-240-9860 or email [development@ihmsisters.org](mailto:development@ihmsisters.org). As a 501(c)(3) organization, our legal name is Sisters, Servants of the Immaculate Heart of Mary, Monroe, Michigan, Inc. Our tax identification number is 38-1359581.

### GIFTS CAN TAKE MANY FORMS:

#### Cash, real estate or appreciated securities

Stocks, bonds or mutual funds

#### Estate gifts and bequests

Include the IHM Sisters in your estate plans, will or by adding a codicil later.

#### Charitable lead trusts

Provide the IHM Sisters with income today and assets for your heirs in the future.

#### Life insurance

Name or purchase a policy on behalf of the IHM Sisters.

#### IRA charitable distribution

Donors 70½ or older are eligible to move up to \$108,000 from their IRAs to the IHM Sisters.

## FUTURE OF HOPE LEGACY SOCIETY

Estate planning provides for the future needs of your family and loved ones. It can also ensure charitable organizations, such as the IHM Sisters, are remembered.

The Future of Hope Legacy Society was established to accomplish a twofold purpose:

- To thank and recognize benefactors who have made legacy gifts to the congregation.
- To encourage others to consider making a planned gift to the Sisters, Servants of the Immaculate Heart of Mary.

By including a bequest provision in your will, you can continue to support the sisters well into the future.

If you have already planned a gift to the Sisters, Servants of the Immaculate Heart of Mary or are considering doing so, please let us know. Whether you choose to remain anonymous or lend your name in support of our community and mission, we would like to honor you as a member of the Future of Hope Legacy Society.

Should you have any questions, please call the Development Office at 734-240-9860.
